Dear Wendy and Guy,

We mailed our monthly, quarterly and annual reports on time to your office every month. We are surprised to know that you did not receive the 2012 Q1 report and 2011 annual report.

Please see attached copies of the 2012 Q1 report and 2011 annual report. We do not have the originals which were mailed to you before the compliance dates.

Please remove the violation notice and records on our file. We did mail these reports to your office before the requested compliance dates.

Thank you for your understanding.

Sincerely,

Kevin Hinman
