**Subject:** Amendments to Sacramento River and San Joaquin River Basins Water Quality Plans

Betty,

Sacramento Area Sewer District recently provided comments on the proposed Amendments to the Water Quality Control Plans for the Sacramento River and San Joaquin River Basins. Sacramento County Environmental Management Department concurs with their recommendation to add the word "replacement" to section that states "The OWTS Policy specifies criteria for existing, and new onsite systems.." so that it reads " The OWTS Policy specifies criteria for existing, *replacement* and new onsite systems..."

Thank you.
