NOTICE OF PUBLIC MEETING CENTRAL VALLEY PESTICIDE TMDL AND BASIN PLAN AMENDMENT

23 July 2009, Central Valley Water Board – Training Room

The Regional Water Quality Control Board, Central Valley Region (Regional Water Board) staff will hold a public meeting to discuss and provide an update on the development of amendments to the Basin Plan for the control of discharges of pesticides into selected surface waters in the Sacramento and San Joaquin Valleys, including the Delta. Additional information about this project is available on the Regional Water Board's website at:

http://www.waterboards.ca.gov/centralvalley/water_issues/tmdl/central_valley_projects/central_valley_pesticides/index.shtml

This meeting will provide participants with an opportunity to discuss the overall status of the project, a draft list of waterbodies for potential inclusion in the geographic scope of the project, and a draft Regional Water Board staff statement to accompany the release of the water quality criteria derivation methodology. The draft list of waterbodies and the draft staff statement on the water quality criteria derivation methodology will be made available for review before the meeting.
