

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
LAHONTAN REGION

MEETING OF APRIL 11 AND 12 2012

South Lake Tahoe

- ITEM:** 3
- SUBJECT:** FOREST RESEARCH INFORMATIONAL ITEM
- CHRONOLOGY:** New
- DESCRIPTION:** Water Board staff will introduce two speakers for this item: Michael Hogan, researcher for Integrated Environmental Restoration Services, will present information about his work and related research in developing handbooks for outcome-based environmental management for forest management agencies. Sue Norman, Hydrologist at the US Forest Service Lake Tahoe Basin Management Unit, will present preliminary plans describing the monitoring approach the US Forest Service is planning to use to meet the requirements of the Lake Tahoe Total Maximum Daily Load for monitoring and reporting.
- DISCUSSION:** This is an informational item and the Water Board will not be asked to take any action but may provide direction to staff.
