HEARING SCHEDULED FOR JUNE 5, 2024

PLEASE READ THIS HEARING PROCEDURE CAREFULLY. FAILURE TO COMPLY WITH THE DEADLINES AND OTHER REQUIREMENTS CONTAINED HEREIN MAY RESULT IN THE EXCLUSION OF YOUR SUBMITTAL.

California Water Code section 13323 authorizes the California Regional Water Quality Control Board, Lahontan Region (Regional Board) to impose a fine, called administrative civil liability, against any person who violates water quality requirements. The Regional Board's Prosecution Team has issued an Administrative Civil Liability (ACL) Complaint that proposes the Regional Board impose civil liability against David Park and Park Livestock Co. (Respondents) for the violations alleged in the ACL Complaint.

I. Hearing Date and Location

The Regional Board has scheduled a hearing to consider this matter on June 5, 2024. At the hearing, the Regional Board will consider evidence regarding the violation(s) alleged in the ACL Complaint. After considering the evidence, the Regional Board may impose the proposed civil liability, impose a higher or lower amount, or decline to impose any liability.

The hearing will be held at the following location:

Lahontan Water Board Annex, Hearing Room
971 Silver Dollar Avenue
South Lake Tahoe, CA 96150
And via Video and Teleconference

The Regional Board's meeting agenda will be issued at least ten days before the meeting and posted on the Regional Board's website at https://www.waterboards.ca.gov/lahontan/board_info/agenda/2024_schedule.html. The hearing may be rescheduled or continued to a later date. Please check the Regional Board's website for the most up-to-date information.

II. Presiding Officer

For the purposes of this Hearing Procedure, the Presiding Officer is the Chair of the Regional Board or another member of the Regional Board designated in writing by the Chair of the Regional Board.

III. Hearing Waiver

Water Code section 13323, subdivision (b), requires a hearing on the ACL Complaint within 90 days of service of the ACL Complaint; however, the Respondents may waive this right. The Respondents may decide to waive the hearing requirement and pay the full proposed liability amount and settle the ACL Complaint, contingent on the Regional Board's approval of the settlement. If Respondent chooses to waive the hearing requirement and pay the full proposed liability amount, then Respondent should contact the Prosecution team to engage in settlement negotiations. Alternatively, the Respondent may decide to waive the right to a hearing within 90 days to (1) engage in settlement discussions with the Prosecution team, or (2) seek additional time to prepare for the hearing.

On August 8, 2023, the Respondent waived the right to a hearing within 90 days of service of the ACL Complaint.

IV. Adjudicatory Hearing Regulatory Framework

A. Applicable Statutes and Regulations

The following statutes and regulations, as implemented by this Hearing Procedure, govern the hearing on the ACL Complaint:

1. California Water Code section 13323.
2. Chapter 4.5 of the Administrative Procedure Act (Gov. Code, § 11400 et seq.), excluding Article 8 (Language Assistance), Article 13 (Emergency Decision), Article 14 (Declaratory Decision) and Article 16 (Administrative Adjudication Code of Ethics).
3. Evidence Code sections 801 through 805.
4. Government Code section 11513.
5. California Code of Regulations, title 23, section 648 et seq.
6. State Water Resources Control Board's Water Quality Enforcement Policy (Enforcement Policy).

These statutes and regulations are available online at https://www.waterboards.ca.gov/laws_regulations. Except for Government Code section 11513, Chapter 5 of the California Administrative Procedure Act (Gov. Code, § 11500 et seq.) does not apply to this hearing.

B. Separation of Prosecutorial and Advisory Functions

Regional Board staff and attorneys that have prepared the ACL Complaint (Prosecution Team) have been separated from Regional Board staff and attorneys that will advise the Regional Board, on the ACL Complaint (Advisory Team). The Prosecution Team will present evidence for consideration by the Regional Board. The Advisory Team provides legal and technical

advice to the Regional Board. Members of the Advisory Team and Prosecution Team are identified below.

Advisory Team:

Mike Plaziak, Executive Officer
Elizabeth Beryt, Attorney IV
Jan Zimmerman, Supervising Engineering Geologist
Alonzo Poach, Senior Engineering Geologist
Anna Garcia, Senior Engineering Geologist (Specialist)
Tiffany Steinert, Engineering Geologist

Prosecution Team:

Ben Letton, Assistant Executive Officer
Naomi Rubin, Attorney IV
Carson Capps, Attorney I
Liz vanDiepen, Engineering Geologist
German Myers, Water Resource Control Engineer
Shelby Barker, Senior Engineering Geologist (Specialist)

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Further, members of the Advisory Team have not exercised any authority over the Prosecution Team or advised them with respect to this matter, or vice versa. Ben Letton, Liz VanDiepen, and Shelby Barker regularly advise the Regional Board in other, unrelated matters, and other members of the Prosecution Team may have previously acted as advisors to the Regional Board in other, unrelated matters, but no members of the Prosecution Team are advising the Regional Board in this proceeding. Members of the Prosecution Team have not had any substantive ex parte communications with the Regional Board or the Advisory Team regarding this proceeding.

C. Ex Parte Communications

Any communication regarding any issue in this proceeding to a Regional Board member or member of the Advisory Team by a Party or Interested Person that is made without notice and opportunity for all Parties to participate in the communication is considered an "ex parte" communication. Ex parte communications are prohibited, except as authorized by statute (e.g., communications regarding non-controversial procedural matters). (Gov. Code, § 11430.10 et seq.)

D. Evidentiary Standards

Government Code section 11513 and Evidence Code sections 801 through 805 apply to this proceeding.

The technical rules of evidence do not apply to this proceeding. The Parties may submit any relevant evidence that is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or

statutory rule which might make improper the admission of the evidence over objection in civil actions.

Hearsay evidence is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter stated. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but over timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. An objection is timely if made before conclusion of all testimony or closing statement if one is provided.

V. Hearing Participants

A. Parties

Parties are the primary participants in the hearing. Parties may present written evidence, offer witness testimony, cross-examine witnesses, and provide closing statements. Parties may be asked to respond to questions from the Regional Board and Advisory Team.

The following are Parties to this proceeding:

1. Regional Board Prosecution Team
2. David Park and Park Livestock Co.
3. Any other person or entity designated as a party by the Presiding Officer in accordance with Section V.C.

B. Interested Persons (Non-Parties)

Interested Persons include any persons or entities that are interested in the outcome of the proceeding but that have not been designated as a party. Interested Persons may present written or oral non-evidentiary policy statements. Interested Persons are not subject to cross-examination but may be asked to respond to clarifying questions from the Regional Board and Advisory Team.

Interested Persons may not submit evidence (e.g., photographs, eye-witness testimony, and monitoring data). Any person or entity that would like to submit evidence should request to be designated as a party pursuant to Section V.C.

C. Requesting Party Status

Any Interested Person who wishes to participate in the hearing as a party must submit a request in writing by the deadline listed under "Important Deadlines" below. The request must include the following information at a minimum:

1. How the issues to be addressed at the hearing substantially affect the requestor's interests, and
2. Why the existing Parties do not adequately represent the requestor's interests.

The request for party status must also include any requested revisions to the Hearing Procedure.

A Party must submit any written objection to a request for party status by the deadline listed under "Important Deadlines" below.

Following the deadline to submit objections to party status requests, the Presiding Officer will promptly respond to any timely written requests for party status. The Presiding Officer will not grant a request for party status if the Presiding Officer determines the designation of the requestor as a party will impair the interests of justice or the orderly and prompt conduct of the proceeding. The Presiding Officer, when granting a request for party status, may impose restrictions on the requestor's hearing participation, including limiting or excluding the use of cross-examination and other procedures, to promote the orderly and prompt conduct of the proceeding. Unless and until an Interested Person is granted party status, the deadlines for Interested Persons shall continue to apply.

VI. Prehearing Submittal of Non-Evidentiary Policy Statements by Interested Persons

A. Non-Evidentiary Policy Statements

Interested Persons must submit any written non-evidentiary policy statements regarding the ACL Complaint by the deadline listed under "Important Deadlines" below.

exhibit, the exhibit number, and a brief identification of the exhibit (e.g., "Resp Ex. 1 - Permit.pdf").

2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the Party intends to call at the hearing; the subject of each witness' proposed testimony; and the estimated time required by each witness to present direct testimony.

The Prosecution Team must submit, and the other Parties may submit, Proposed Findings of Fact and Conclusions of Law for consideration by the Regional Board and Advisory Team. The Proposed Findings of Fact and Conclusions of Law must include the Party's proposed penalty calculation, using the methodology prescribed by the Enforcement Policy. The Parties may use this opportunity to highlight specific evidence and argument for the Regional Board's consideration.

Proposed Findings of Fact and Conclusions of Law must be submitted in Microsoft Word format by the deadline listed under "Important Deadlines" below. The Presiding Officer may prescribe a page limit for the Proposed Findings of Fact and Conclusions of Law.

E. Prohibition on Surprise Evidence

It is the policy of the Regional Board to discourage surprise testimony and exhibits. The Presiding Officer may refuse to admit proposed exhibits or testimony that are not submitted in accordance with this Hearing Procedure and shall refuse to do so when there is a showing of prejudice to any Party or the Regional Board. Excluded material will not be considered.

IX. Revisions to Hearing Procedure and Prehearing Conference

A. Revisions to Hearing Procedure

The Presiding Officer may revise this Hearing Procedure for good cause (1) on the Presiding Officer's own motion or (2) upon request from any Party or Interested Person seeking party status.
