CEASE AND DESIST ORDER NO. R6T-2013-(PROPOSED)

REQUIRING FRITSCHÉ 1985 LIVING TRUST C/O SHERYL A SPRINKLE, APN NO. 077-174-15-11 TO CEASE AND DESIST FROM DISCHARGING OR THREATENING TO DISCHARGE WASTE IN VIOLATION OF A DISCHARGE PROHIBITION SPECIFIED BY THE *WATER QUALITY CONTROL PLAN FOR THE LAHONTAN REGION*, SPALDING TRACT SUBDIVISION, EAGLE LAKE BASIN, LASSEN COUNTY

Enclosed is the above-referenced proposed Cease and Desist Order. The proposed Cease and Desist Order is being issued in response to evidence that FRITSCHÉ 1985 LIVING TRUST C/O SHERYL A SPRINKLE is, at a minimum, threatening to discharge waste in violation of a discharge prohibition specified by the *Water Quality Control Plan for the Lahontan Region* (Basin Plan). The above-referenced threatened discharge of waste is associated with the on-site wastewater disposal system (e.g., septic tank/leachfield system, outhouse, privy) located on the parcel identified in the subject line of this letter. The enclosed proposed Cease and Desist Order is being provided for your review and comment. The Lahontan Regional Water Quality Control Board (Water Board) has tentatively scheduled a public hearing in South Lake Tahoe on November 13-14, 2013, to consider the adoption of the proposed Cease and Desist Order.

To ensure the Water Board has the opportunity to fully consider written comments, all comments must be submitted in accordance with the deadlines identified in the Draft Public Hearing Procedures (Hearing Procedures) that are enclosed. Written objections and materials submitted after the deadlines specified in the Hearing Procedures will not be accepted, except at the discretion of the Water Board Chair. Untimely written materials or objections will not be accepted or incorporated into the record if doing so would prejudice the Water Board or any Designated Party. The Chair may choose to modify this rule upon a showing of severe hardship (California Code of Regulations., title 23, sections 648.1 and 648.4). Any person seeking to submit late written materials must justify why the materials could not have been submitted earlier.

**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
LAHONTAN REGION**

CEASE AND DESIST ORDER NO. R6T-2013-(PROPOSED)

**REQUIRING FRITSCHÉ 1985 LIVING TRUST C/O SHERYL A SPRINKLE TO
CEASE AND DESIST FROM DISCHARGING OR THREATENING TO
DISCHARGE WASTE IN VIOLATION OF A DISCHARGE PROHIBITION
SPECIFIED BY THE *WATER QUALITY CONTROL PLAN FOR THE
LAHONTAN REGION*;
SPALDING TRACT SUBDIVISION,
EAGLE LAKE BASIN**

Lassen County

The California Regional Water Quality Control Board, Lahontan Region (Water Board) finds:

1. FRITSCHÉ 1985 LIVING TRUST C/O SHERYL A SPRINKLE (hereafter “Discharger”) own Assessor Parcel No. 077-174-15-11 in the Spalding Tract subdivision located on the west shore of Eagle Lake, approximately 20 miles northwest of Susanville, California. See Attachment A – Vicinity Map, which is made a part of this Order.
2. The Discharger owns and/or operates an on-site wastewater disposal system located at the above-referenced parcel. The existence of an on-site wastewater disposal system that has not been properly abandoned at this location permits waste containing nutrients to be discharged, and/or threatens a discharge of waste containing nutrients, to waters within the Eagle Lake Basin.
3. In September 1984, the Water Board amended the *Water Quality Control Plan for the Lahontan Region* (Basin Plan) to incorporate the following waste discharge prohibition.

“The discharge of waste from the Spaulding [sic] or Stones-Bengard subdivisions with other than a zero discharge of nutrients to any surface waters or ground waters in the Eagle Lake basin is prohibited after September 14, 1989.” (Basin Plan, Chapter 4, *Implementation*, Unit/Area-Specific Prohibitions for the Eagle Drainage Hydrologic Area at p. 4.1-4.)

This prohibition essentially prohibits the discharge of sewage to individual on-site waste disposal systems in the Spalding Tract after September 14, 1989.

4. In 1991, the Water Board issued Cease and Desist Orders (1991 Cease and Desist Orders) to Spalding Tract property owners requiring them to cease and desist from discharging wastes in violation of the Basin Plan prohibition.
5. The Water Board did not pursue enforcement of the Cease and Desist Orders issued in 1991 because there was no readily available means by which the Spalding Tract property owners could comply with the Basin Plan prohibition.
6. On October 22, 2007, the Spalding Community Services District (District) community wastewater system (system) became operational. As a result, there is now an available method for the Spalding Tract property owners to comply with the Basin Plan prohibition.
7. In October 2009, and again in September 2011, the Water Board adopted multiple Cease and Desist Orders for Dischargers who continued to discharge or threaten to discharge waste in violation of the Basin Plan prohibition. Cease and Desist Orders were only adopted for Dischargers where the Water Board provided evidence that: (1) an on-site wastewater disposal system was present on the Discharger's property, and (2) the on-site wastewater disposal system had not been connected to the District's system or properly abandoned. The Cease and Desist Orders required Dischargers to comply by either connecting their on-site wastewater disposal system to the District's system or properly abandoning it.
8. Water Board staff has continued its investigation of on-site wastewater disposal systems in the Spalding Tract that are not in compliance with the Basin Plan. Staff has identified additional Dischargers that have not received a Cease and Desist Order in 2009 or 2011, nor have they connected their on-site wastewater disposal system to the District's system or properly abandoned it. The Discharger identified in Finding No. 1, above, is such a Discharger.
9. Lassen County records (excerpts pertaining to the onsite wastewater disposal system on the property are in Attachment B of this Order) provide evidence that the Discharger has an on-site wastewater disposal system located on the parcel referenced in Finding No. 1, above. Additionally, District records (Attachment C of this Order) indicate that the Discharger has not connected its on-site wastewater disposal system to the District system. The Water Board has also not received any written documentation from Lassen County verifying that the Discharger has properly abandoned its on-site wastewater disposal system. Therefore, the Water Board finds that, at a minimum, the Discharger is threatening to discharge waste containing nutrients in violation of the Basin Plan prohibition described in Finding No. 3, above.

10. Water Code section 13301 states, in part:

“When a Regional Board finds that a discharge of waste is taking place, or threatening to take place, in violation of requirements or discharge prohibitions prescribed by the regional board or the state board, the [regional] board may issue an order to cease and desist and direct that those persons not complying with the requirements or discharge prohibitions (a) comply forthwith, (b) comply in accordance with a time schedule set by the [regional] board, or (c) in the event of a threatened violation, take appropriate remedial or preventive action.”

11. As noted in Finding No. 9, above, the Discharger, at a minimum, is threatening to discharge waste in violation of the Basin Plan prohibition described in Finding No. 3, above. Therefore, the Water Board is authorized to issue a Cease and Desist Order for the threatened discharge pursuant to Water Code section 13301.

12. The Water Board is issuing Cease and Desist Orders to Spalding Tract property owners that: (1) have an on-site wastewater disposal system, (2) have either failed to connect their on-site wastewater disposal system to the District's system or properly abandoned it, and (3) were not previously issued a Cease and Desist Order in 2009 or 2011. As identified in Finding Nos. 8 and 9, above, FRITSCHE 1985 LIVING TRUST C/O SHERYL A SPRINKLE is such a property owner. The Cease and Desist Orders establish a compliance schedule requiring the Discharger to take appropriate action to comply with the Basin Plan prohibition described in Finding No. 3, above.

13. Water Code section 13267, subdivision (b) states:

“In conducting an investigation specified in subdivision (a), the regional board may require that any person who has discharged, discharges, or is suspected of having discharged or discharging, or who proposes to discharge waste within its region, or any citizen or domiciliary, or political agency or entity of this state who has discharged, discharges, or is suspected of having discharged or discharging, or who proposes to discharge, waste outside of its region that could affect the quality of the waters within its region shall furnish, under penalty of perjury, technical or monitoring program reports which the regional board requires. The burden, including costs, of these reports shall bear a reasonable relationship to the need for the report and the benefits to be obtained from the reports. In requiring these reports, the regional board shall provide the person with a written explanation with regard to the need for the reports, and shall identify the evidence that supports requiring that person to provide the reports.”

14. The technical reports required by this Order are necessary to ensure and verify compliance with the discharge prohibition described in Finding No. 3, above, and with this Cease and Desist Order, as well as to ensure protection of waters of the state, and to protect public health. The burden, including costs, of the reports required by this Order bear a reasonable relationship to the need for the reports and the benefits to be obtained therefrom.
15. The Water Board notified the Discharger and interested persons of its intent to consider adoption of this Cease and Desist Order, and provided an opportunity to submit written comments and appear at a public hearing. The Water Board, in a public hearing, heard and considered all comments.
16. Issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, section 21000, et seq.), in accordance with section 15321, subdivision (a)(2), title 14, California Code of Regulations.
17. Any person aggrieved by this action of the Regional Water Board may petition the State Water Resources Control Board (State Water Board) to review the action in accordance with Water Code section 13320 and California Code of Regulations, title 23, sections 2050 and following. The State Water Board must *receive* the petition by 5:00 p.m., 30 days after the date of this Order, except that if the thirtieth day following the date of this Order falls on a Saturday, Sunday, or state holiday, the petition must be received by the State Water Board by 5:00 p.m. on the next business day. Copies of the law and regulations applicable to filing petitions may be found on the Internet at:
http://www.waterboards.ca.gov/public_notices/petitions/water_quality
or will be provided upon request.

THEREFORE, IT IS HEREBY ORDERED that, pursuant to Water Code sections 13301 and 13267, the Discharger shall cease and desist from discharging waste or threatening to discharge waste, in violation of the Basin Plan prohibition and shall comply with the other provisions of this Order:

1. By **May 30, 2014**, the Discharger must complete one of the following:
 - a. Connect to the District's system.
 - b. Properly abandon the on-site wastewater disposal system on the Discharger's property, Assessor Parcel No. (APN) 077-174-15-11.

- c. Provide a technical report (form included as Attachment D of this Order) documenting that the Discharger's property does not have an on-site wastewater disposal system (e.g., septic tank/leachfield system, outhouse, privy). The report must include all information necessary to assist the Water Board in verifying the parcel number, street address, and the exact location of the Discharger's property, and any improvements to-date on the property. The Discharger must provide written consent to allow Water Board staff to enter the Discharger's property for the purpose of verifying the absence of on-site wastewater disposal systems. If the Discharger wishes to be present during the inspection, the Discharger is requested to provide their contact information or the contact information of the person they wish to be present during the inspection. Contact information must include: name, mailing address, physical address of Spalding Tract property, phone number(s), and email address, if any. A copy of the technical report must also be submitted to the District and Lassen County Environmental Health Department.
2. By **June 13, 2014**, the Discharger must complete one of the following:
 - a. If the Discharger connects its on-site wastewater disposal system to the District's system, the Discharger must submit to the District a written request to include the Discharger's property on the list of properties connected to the District's system. The written request must be submitted to the District within one week of connecting the Discharger's on-site wastewater disposal system to the District's system. The Water Board must be copied on the written request.
 - b. If the Discharger abandons its on-site waste disposal system, the Discharger must submit to the Lassen County Environmental Health Department (County) a written request for the County to inspect the Discharger's property to verify that the on-site waste disposal system has been abandoned properly. The written request must be submitted to the County within one week of abandoning the Discharger's on-site wastewater disposal system. The Water Board must be copied on the written request and be provided with the County's "Certification of Abandonment".
3. The information discussed in paragraphs 1.c., 2.a., and 2.b., above, is required pursuant to Water Code section 13267 (see Attachment E – Water Code section 13267 Fact Sheet), and is necessary to ensure that the person or persons to whom this Order is issued have taken appropriate action to cease the discharge, and/or threatened discharge, of waste in violation of the Basin Plan prohibition.

Failure to comply with the terms or conditions of this Cease and Desist Order will result in additional enforcement action, which may include the imposition of administrative civil liability pursuant to Water Code sections 13350 and/or 13268, or referral to the Attorney General of the State of California for such legal action as she may deem appropriate.

I, Patty Z. Kouyoumdjian, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Lahontan Region on November 13, 2013.

**Fact Sheet – Requirements for Submitting Technical Reports
Under Section 13267 of the California Water Code**

October 8, 2008

What does it mean when the regional water board requires a technical report?

Section 13267¹ of the California Water Code provides that "...the regional board may require that any person who has discharged, discharges, or who is suspected of having discharged...waste that could affect the quality of waters...shall furnish, under penalty of perjury, technical or monitoring program reports which the regional board requires".

This requirement for a technical report seems to mean that I am guilty of something, or at least responsible for cleaning something up. What if that is not so?

Providing the required information in a technical report is not an admission of guilt or responsibility. However, the information provided can be used by the regional water board to clarify whether a given party has responsibility.

Are there limits to what the regional water board can ask for?

Yes. The information required must relate to an actual or suspected discharge of waste, and the burden of compliance must bear a reasonable relationship to the need for the report and the benefits obtained. The regional water board is required to explain the reasons for its request.

What if I can provide the information, but not by the date specified?

A time extension can be given for good cause. Your request should be submitted in writing, giving reasons. A request for a time extension should be made as soon as it is apparent that additional time will be needed and preferably before the due date for the information.

Are there penalties if I don't comply?

Depending on the situation, the regional water board can impose a fine of up to \$1,000 per day, and a court can impose fines of up to \$25,000 per day as well as criminal penalties. A person who submits false information is guilty of a misdemeanor and may be fined as well.

What if I disagree with the 13267 requirement and the regional water board staff will not change the requirement and/or date to comply?

Any person aggrieved by this action of the Regional Water Board may petition the State Water Board to review the action in accordance with Water Code section 13320 and California Code of Regulations, title 23, sections 2050 and following. The State Water Board must *receive* the petition by 5:00 p.m., 30 days after the date of the Order, except that if the thirtieth day following the date of this Order falls on a Saturday, Sunday, or state holiday, the petition must be received by the State Water Board by 5:00 p.m. on the next business day. Copies of the law and regulations applicable to filing petitions may be found on the Internet at:

http://www.waterboards.ca.gov/public_notices/petitions/water_quality or will be provided upon request.

Claim of Copyright or other Protection

Any and all reports and other documents submitted to the Regional Board pursuant to this request will need to be copied for some or all of the following reasons: 1) normal internal use of the document, including staff copies, record copies, copies for Board members and agenda packets, 2) any further proceedings of the Regional Board and the State Water Resources Control Board, 3) any court proceeding that may involve the document, and 4) any copies requested by members of the public pursuant to the Public Records Act or other legal proceeding.

If the discharger or its contractor claims any copyright or other protection, the submittal must include a notice, and the notice will accompany all documents copied for the reasons stated above. If copyright protection for a submitted document is claimed, failure to expressly grant permission for the copying stated above will render the document unusable for the Regional Board's purposes, and will result in the document being returned to the discharger as if the task had not been completed.

If I have more questions, who do I ask?

Requirements for technical reports normally indicate the name, telephone number, and email address of the regional water board staff person involved at the end of the letter.

¹ All code sections referenced herein can be found by going to www.leginfo.ca.gov. Copies of the regulations cited are available from the Regional Board upon request.

Background

On August 26, 2013, the Water Board Enforcement Unit mailed proposed Cease and Desist Orders (Orders) to multiple property owners in the Spalding Tract subdivision, Eagle Lake, Lassen County. The proposed Orders allege that the property owners are violating or threatening to violate a waste discharge prohibition contained in the Water Quality Control Plan for the Lahontan Region. The proposed Orders, if adopted, would establish a schedule for compliance with the discharge prohibition.

Purpose and Timing of Public Hearings

The purpose of the public hearings is to consider relevant evidence and testimony regarding the proposed Orders. The Water Board will hold a public hearing on each proposed Order. Property owners listed in Attachment 1 may request an individual public hearing. The Water Board will hold a combined public hearing (consolidated public hearing) to consider those proposed Orders where the property owner has not requested a separate public hearing or submitted evidence. The Water Board can consider a wide range of options including, but not limited to, adopt the Orders as proposed or with changes, or rejecting the proposed Orders in their entirety.

As stated above, a property owner named in a proposed Order can request a separate public hearing. Such requests must be received by the Water Board's Advisory Team **no later than 4:00 p.m. on Monday, September 30, 2013**. Property owners named in a proposed Order submitting evidence pursuant to the schedule in these procedures will be deemed to be requesting a separate public hearing. Property owners who request a separate public hearing but do not submit evidence pursuant to the schedule in these procedures will be precluded from submitting evidence at the public hearing. However, such property owners will be able to cross-examine other parties at the public hearing.

The public hearings will be held during the regular meeting of the Water Board on **November 13-14, 2013**. The public hearings will begin at a time and location as announced in the Water Board meeting agenda. An agenda for the meeting will be available on the Water Board's web page at www.waterboards.ca.gov/lahontan no later than October 24, 2013.

Objections to Hearing Procedures

The public hearings will be conducted in accordance with this set of hearing procedures or as it may be amended. A copy of the general procedures governing adjudicatory hearings before the Water Board may be found at California Code of Regulations, title 23, section 648 et seq., and is available at www.waterboards.ca.gov or upon request. In accordance with section 648, subdivision (d), any procedure not provided by this set of hearing procedures is deemed waived. Except as provided in section 648 and herein, subdivision (b), Chapter 5 of the Administrative Procedures Act (commencing with Government Code section 11500) does not apply to these public hearings.

The Water Board's Advisory Team must receive any objections to this set of hearing procedures **no later than 4:00 p.m. on Tuesday, September 10, 2013** or they will be considered waived.

Public Hearing Participants

Participants in these public hearings are identified as either "Designated Parties" or "Interested Parties/Persons." Designated Parties may present evidence and cross-examine witnesses and are subject to cross-examination. Interested Persons/Parties include all parties (e.g., **the public/citizens**, agencies organizations, interest groups), other than those identified as Designated Parties. Interested Persons/Parties may present non-evidentiary policy statements, but may not cross-examine witnesses and are not subject to cross-examination. All parties, Designated and Interested, may be asked to respond to questions from Water Board members and the Water Board's Advisory Team.

The following participants are hereby identified as Designated Parties in this proceeding:

1. Water Board Prosecution Team
2. Property owners listed in Attachment 1

Note: Each property owner listed in Attachment 1 is a separate Designated Party. These hearing procedures require that the property owners listed in Attachment 1 making submittals to the Water Board also send a copy to the other Designated Party. To comply with this requirement, copies of submittals must be sent to the Prosecution Team. It is not necessary to provide copies of all submittals to the other property owners listed in Attachment 1.

Requesting Designated Party Status

Persons (other than those property owners listed in Attachment 1) who wish to participate in the public hearing as a Designated Party must submit their request for such status in writing (with copies of the request sent to the other Designated Parties). Such requests must be received by the Advisory Team **no later than 4:00 p.m. on Tuesday, September 10, 2013**. The request shall: (1) identify the hearing(s) for which you are requesting Designated Party status by Assessor's Parcel Number (APN) and property owner name; (2) include an explanation of the basis for the status as a Designated Party (e.g., how the issues to be addressed in the hearing and the potential actions by the Water Board affect the person requesting the status change); and, (3) include a statement explaining why the currently identified Designated Parties do not adequately represent the interests of the person requesting the status change. Objections to such request must be received by the Advisory Team **no later than 4:00 p.m. on Thursday, September 19, 2013**.

Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more

Designated Parties and Interested Persons/Parties themselves are not ex parte contacts.
