Applicant's Representative:

N/A

Project Name:

Salton Community Services District - Damaged Sewer Line (Anza Verde Wash) & Gravity Sewer Line (Biloxi Wash) Repair Projects, WDID No. 7A133050001

Receiving Water:

The work will be done in the Anza Verde and Biloxi wash.

Location:

City: Salton City, CA, County: Imperial County

Project Description:

Salton Community Services District and FEMA have determined the only practicable alternative for the projects is the restoration of the wash beds and banks to its pre-disaster condition and restoring the sewer line in the floodplain and floodway with mitigation measures to prevent similar future damage.

Action:

Pending
