**YOU ARE HEREBY GIVEN NOTICE THAT:**

1. You are alleged to have violated provisions of law for which the California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), must impose liability under Section 13399.33 of the California Water Code.
2. A hearing concerning this Complaint will be held before the Board within ninety days of the date of issuance of this Complaint. The hearing in this matter has been scheduled for the Board's regular meeting on November 21, 2003, at the Eastern Municipal Water District, in the city of Perris. You or your representative will have an opportunity to appear and be heard, and to contest the allegations in this Complaint and the imposition of mandatory penalties by the Board. An agenda for the meeting will be mailed to you not less than 10 days before the hearing date.
3. At the hearing, the Board will consider whether to affirm, reject or modify the proposed Mandatory Penalties Complaint or whether to refer the matter to the Attorney General for recovery of judicial civil liability.
4. Pilkington Aerospace, Inc. (hereinafter Pilkington), located at 12122 Western Avenue, Garden Grove, is currently regulated under the State's General Permit for Storm Water Discharges Associated with Industrial Activities, Water Quality Order No. 97-03-DWQ, NPDES No. CAS000001 (General Permit). The facility's WDID Number is 8301002331. The General Permit requires submittal of an annual report by July 1 of each year.
5. Prior to the July 1, 2003 deadline, a notice from the State Water Resources Control Board (SWRCB) was mailed to Pilkington indicating that a copy of the blank 2002-2003 Annual Report could be accessed via the internet, and that a hard copy would only be mailed to Pilkington if requested. Because the annual report was not received by Board staff by the July 1, 2003 deadline, a Notice of Non-Compliance (NNC) was issued to Pilkington, by certified mail, on July 24, 2003. The return receipt showed it was received on July 29, 2003. When Board staff received no response to the first NNC, a second NNC was issued on August 25, 2003, again by certified mail, and was received on September 2, 2003. In both NNCs, Board staff requested submittal of the completed annual report by September 25, 2003, a statement explaining why the annual report was not submitted by the July 1 deadline, and the measures that would be taken to ensure that future annual reports are submitted on time. Both NNCs also identified the mandatory minimum penalty for failure to submit the annual report by the September 25, 2003 deadline.

6. On September 17, 2003, Board staff left a telephone message for Mr. Michael Baumeister, Pilkington's Environmental Health and Safety Manager, regarding the facility's non-submittal of the annual report. On September 19, 2003, Mr. Baumeister returned Board staff's telephone call indicating that he would be working on the annual report that weekend. Board staff left additional telephone messages for Mr. Baumeister on September 23, 2003 and September 25, 2003 reminding Pilkington that the annual report must be submitted by September 25, 2003 to avoid mandatory penalty. Later on the 25<sup>th</sup>, Board staff spoke to Mr. Baumeister and Mr. Larry Valenti (Vice President) and both informed Board staff that the deadline would not be met. Board staff again informed them of the minimum mandatory penalties. The annual report was received in this office on September 29, 2003. This facility violated the General Permit, the Federal Clean Water Act and the California Water Code by failing to submit the annual report by July 1, 2003.
7. Section 13385(a)(2) of the California Water Code provides that any person who violates waste discharge requirements issued pursuant to the Federal Clean Water Act shall be civilly liable. Section 13385(c) provides that civil liability may be administratively imposed by a regional board in an amount not to exceed ten thousand dollars (\$10,000) for each day the violation occurs.
8. Based on non-submittal of the 2002-2003 annual report, the facility is alleged to have violated the General Permit for 90 days (from July 2, 2003 to September 29, 2003). The total maximum liability for this violation is \$900,000.
9. Section 13399.33(c) of the California Water Code requires that the Regional Board impose a minimum penalty of \$1,000 for any person who fails to submit an annual report in accordance with Section 13399.31 of the Water Code.
10. Section 13385(e) specifies factors that the Board shall consider in establishing the amount of civil liability. After consideration of those factors, the Executive Officer proposes that civil liability be imposed on Pilkington in the amount of \$1,000 for the violation cited above.
