With this agenda update, all of the action items remaining on the Board's agenda for the July 20, 2009 meeting are scheduled as consent items. The items listed above have been rescheduled to the Board's August 28, 2009 meeting.

Given these changes, Regional Board Chair Carole Beswick has determined that, in the interest of energy conservation, it would not be appropriate to ask Orange County board members and members of the public to travel to Riverside to address these consent items, and that it is appropriate for the Santa Ana Regional Board members from Orange County to participate in the July 20, 2009 meeting by telephone from a public location in Orange County. The Chair and board members who so choose will participate in the board meeting in person at the California Tower in Riverside.

Board Members Richard Freschi and Fred Ameri will participate in the meeting from RBF Consulting, 14725 Alton Parkway, Irvine, CA. Should any member of the public wish to participate in the meeting at RBF Consulting, please contact Felipa Carrillo at (951)782-3285 or by email at fcarrillo@waterboards.ca.gov.
