

Event Reminder:

Climate Change and Adaptation Workshop

Tuesday, June 18, 2013

California Citrus State Historical Park

Sunkist Activity Center

Please note change of address:

9350 Dufferin Avenue

Riverside, CA 92504

1:00 p.m. - 4:00 p.m.

This workshop, co-sponsored with the Bureau of Reclamation, will provide an opportunity to learn about tools you can use to do a sophisticated carbon footprint analysis and climate change modeling to support the development of your specific project.

Agenda is now available. Click on this link to download: [Climate Change and Adaptation Workshop Agenda](#)

Topics for discussion:

- Modeling our Watershed's Future
- Predicting Coastal Impacts of Climate Change
- Climate Change Adaptation Breakout
- Carbon Footprint Analysis Tools for Planning

RSVP by contacting Zyanya Blancas at zblancas@sawpa.org by June 14 2013.

We hope to see you there!

Hosted by:

Sincerely,

Celeste Cantú
General Manager
