Complaint No. R8-2013-0059-REVISED

for

Mandatory Minimum Penalty and Staff Costs

YOU ARE HEREBY GIVEN NOTICE THAT:

1. You are alleged to have violated provisions of law for which the California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), must impose liability under Section 13399.33 of the California Water Code.
2. A hearing concerning this Complaint will be held before the Board within ninety days of the date of issuance of this Complaint. The hearing in this matter has been scheduled for the Board's tentative meeting on January 31, 2014, at a to be determined location. You or your representative will have an opportunity to appear and be heard, and to contest the allegations in this Complaint and the imposition of a mandatory penalty and staff costs by the Board. An agenda for the meeting will be mailed to you not less than 10 days before the hearing date.
3. At the hearing, the Board will consider whether to affirm, reject or modify the proposed Mandatory Minimum Penalty and assessment of staff costs pursuant to Section 13399.33 of the Water Code, to assess discretionary penalties pursuant to Section 13385 of the Water Code, or to refer the matter to the Attorney General for recovery of judicial civil liability.
4. Acosta Tool & Die (hereinafter Acosta Tool), located at 160 Industry Avenue in La Habra, is currently regulated under the State's General Permit for Storm Water Discharges Associated with Industrial Activities, Water Quality Order No. 97-03-DWQ, NPDES No. CAS000001 (General Permit). The facility's WDID Number is 8 301024108. The General Permit requires submittal of an annual report by July 1 of each year.
5. Acosta Tool's 2012-2013 annual report was not received by Board staff by the July 1, 2013 deadline. Therefore a Notice of Non-Compliance (NNC) was issued to Acosta Tool, by certified mail, on July 31, 2013. The return receipt showed it was received on August 1, 2013. When Board staff received no response to the first NNC, a second NNC was issued on August 29, 2013. The return receipt showed it was received on August 31, 2013. In both NNCs, Board staff requested submittal of the completed annual report and reminded Acosta Tool of the mandatory minimum penalty for late submittal of the annual report. The second NNC requested that the annual report be submitted by September 27, 2013 along with a statement explaining why the annual report was not submitted by the July 1 deadline, and the measures that would be taken to ensure that future annual reports are submitted on time. Both NNCs are attached to this Complaint as Exhibits 1 and 2.

6. On September 24, 2013, Board left a voice message for Alma Acosta, Acosta Tool's contact, informing her of the mandatory minimum penalty if the annual report was not submitted by September 27, 2013. To date, the annual report has not been received by the Regional Board office. Acosta Tool violated the General Permit, the Federal Clean Water Act and the California Water Code by failing to submit the annual report by July 1, 2013.
7. Section 13385(a)(2) of the California Water Code provides that any person who violates waste discharge requirements issued pursuant to the Federal Clean Water Act shall be civilly liable. Section 13385(c) provides that civil liability may be administratively imposed by a regional board in an amount not to exceed ten thousand dollars (\$10,000) for each day the violation occurs.
8. Based on non-submittal of the 2012-2013 annual report, Acosta Tool is alleged to have violated the General Permit for 129 days (from July 2, 2013 to November 7, 2013, the date of issuance of this complaint). The total maximum liability for this violation is \$1,290,000 (129 days at \$10,000/day).
9. Section 13399.33(c) of the California Water Code requires that the Regional Board impose a minimum penalty of \$1,000 for any person who fails to submit an annual report in accordance with Section 13399.31 of the Water Code. Section 13399.33(d) of the California Water Code further requires that the Regional Board recover the costs incurred by the Regional Board with regard to those persons.

PROPOSED MANDATORY MINIMUM PENALTIES AND ASSESSMENT OF COSTS

1. Pursuant to Section 13399.33(c) the Division Chief proposes that the mandatory minimum penalty of \$1,000 be imposed on Acosta Tool for the violation cited above. In addition, the Division Chief proposes that staff costs in the amount of \$750 (5 hours at \$150/hour) be recovered from Acosta Tool. The total proposed mandatory minimum penalty and staff costs amount is \$1,750.
2. Notwithstanding the issuance of this Complaint, the Regional Board retains the authority to assess additional penalties for violations of the requirements of Acosta Tool waste discharge requirements for which penalties have not yet been assessed or for violations that may subsequently occur.
3. Issuance of this Complaint is an enforcement action and is therefore exempt from the provisions of the California Environmental Quality Act (Pub. Res. Code § 21000 et seq.) pursuant to title 14, California Code of Regulations sections 15308 and 15321 subsection (a) (2).

WAIVER OF HEARING

You may waive your right to a hearing. If you choose to do so, please sign the attached Waiver Form and mail it, along with a check or money order payable to the Waste Discharge Permit Fund, for the amount of one thousand seven hundred fifty dollars (\$1,750). These documents should be mailed to this office by **December 16, 2013**.

If you have any questions, please contact Michelle Beckwith at (951) 782-4433. For legal questions, contact Cris Carrigan, Director of Enforcement, at (916) 341-5889.

Separation of Functions

To help ensure the fairness and impartiality of this proceeding, the functions of those who will act in a prosecutorial role by presenting evidence for consideration by the Regional Board (Prosecution Team) have been separated from those who will provide advice to the Regional Board (Advisory Team).

Members of the Advisory Team are: David Rice, Staff Counsel, State Water Resources Control Board and Kurt Berchtold, Executive Officer, Santa Ana Regional Water Quality Control Board.

Members of the Prosecution Team are: Cris Carrigan, Director, Office of Enforcement, State Water Resources Control Board; Hope Smythe, Division Chief, Santa Ana Regional Water Quality Control Board; and Michelle Beckwith, Coastal Storm Water Unit Chief, Santa Ana Regional Water Quality Control Board.

Any members of the Advisory Team who normally supervise any members of the Prosecution Team are not acting as their supervisors in this proceeding, and vice versa. Members of the Prosecution Team may have acted as advisors to the Regional Board in other, unrelated matters, but they are not advising the Regional Board in this proceeding. Members of the Prosecution Team have not had any ex parte communications with the members of the Regional Board or the Advisory Team regarding this proceeding.

Ex Parte Communications

The designated parties and interested persons are forbidden from engaging in ex parte communications regarding this matter with members of the Advisory Team or members of the Regional Board. An ex parte contact is any written or verbal communication pertaining to the investigation, preparation, or prosecution of the Complaint between a member of a designated party or interested person on the one hand, and a Regional Board member or an Advisory Team member on the other hand, unless the communication is copied to all other designated parties (if written) or made in a manner open to all other designated parties (if verbal). Communications regarding non-controversial procedural matters are not ex parte contacts and are not restricted. Communications among one or more designated parties and interested persons themselves are not ex parte contacts.

Hearing Time Limits

To ensure that all participants have an opportunity to participate in the hearing, the following time limits shall apply: Each designated party shall have a combined 20 minutes to present evidence, cross-examine witnesses (if warranted), and provide a closing statement; and each interested person shall have 3 minutes to present a non-evidentiary policy statement. Participants with similar interests or comments are requested to make joint presentations, and participants are requested to avoid redundant comments. Participants who would like additional time must submit their request to the Advisory Team so that it is received no later than January 6, 2014. Additional time may be provided at the discretion of the Advisory Team (prior to the hearing) or the Regional Board Chair (at the hearing) upon a showing that additional time is necessary.

Submission of Evidence and Policy Statements

The following information must be submitted in advance of the hearing:

1. All evidence (other than witness testimony to be presented orally at the hearing) that the Designated Party would like the Regional Board to consider. Evidence and exhibits already in the public files of the Regional Board may be submitted by reference as long as the exhibits and their location are clearly identified in accordance with Title 23, CCR, Section 648.3.
2. All legal and technical arguments or analysis.
3. The name of each witness, if any, whom the designated party intends to call at the hearing, the subject of each witness' proposed testimony, and the estimated time required by each witness to present direct testimony.
4. The qualifications of each expert witness, if any.
5. If Acosta Tool intends to argue an inability to pay the penalty proposed in the Complaint (or an increased or decreased amount as may be imposed by the Regional Board), Acosta Tool should submit supporting evidence as set forth in the "ACL Fact Sheet" under "Factors that must be considered by the Board."

The Prosecution Team shall submit 15 hard copies of its information and one electronic copy of the information to Advisory Team Attorney David Rice so that it is received by 5 p.m. on November 25, 2013.

The remaining designated parties shall submit 15 hard copies of their information and one electronic copy of the information to Advisory Team Attorney David Rice so that they are received by 5 p.m. on December 6, 2013.

Any designated party that would like to submit information that rebuts the information previously submitted by other designated parties shall submit 15 hard copies of their rebuttal information and one electronic copy of the information to Advisory Team Attorney David Rice so that they are received by 5 p.m. on December 6, 2013. Rebuttal information shall be limited to the scope of the information previously submitted by the other designated parties. Rebuttal information that is not responsive to information previously submitted by other designated parties may be excluded.

If the total amount of information submitted by any party is less than 15 pages, that party may submit the information by email, rather than in writing. In addition to the foregoing, each designated party shall submit (1) one copy of the above information to each of the other designated parties so that it is received by 5 p.m. on the deadline specified above.

Interested persons who would like to submit written non-evidentiary policy statements are encouraged to submit them to the Advisory Team as early as possible, but no later than December 9, 2013. Interested persons do not need to submit written non-evidentiary policy statements in order to speak at the hearing.

In accordance with Title 23, California Code of Regulations, Section 648.4, the Regional Board endeavors to avoid surprise testimony or evidence. Excluded evidence and testimony will not be considered by the Regional Board and will not be included in the administrative record for this proceeding. Power Point and other visual presentations may be used at the hearing, but their content may not exceed the scope of other submitted written material. A copy of such material intended to be presented at the hearing must be submitted to the Advisory Team by January 17, 2014 for inclusion in the administrative record. Additionally, any witness who has submitted written testimony for the hearing shall appear at the hearing and affirm that the written testimony is true and correct, and shall be available for cross-examination.

Request for Pre-hearing Conference

A designated party may request that a pre-hearing conference be held before the hearing in accordance with Water Code Section 13228.15. A pre-hearing conference may address any of the matters described in subdivision (b) of Government Code Section 11511.5. Requests must contain a description of the issues proposed to be discussed during that conference, and must be submitted to the Advisory Team, with a copy to all other designated parties, as early as practicable.

Evidentiary Objections

Any designated party objecting to written evidence or exhibits submitted by another designated party must submit a written objection to the Advisory Team and all other designated parties so that it is received by 5 p.m. on January 6, 2014. The Advisory Team will notify the parties about further action to be taken on such objections and when that action will be taken.

Evidentiary Documents and File

The Complaint and related evidentiary documents are on file and may be inspected or copied at the Regional Board office at 3737 Main Street, Suite 500, Riverside, CA 92501 by contacting August Lucas (email: August.Carter@waterboards.ca.gov; phone: 951-782-7961). This file shall be considered part of the official administrative record for this hearing. Other submittals received for this proceeding will be added to this file and will become a part of the administrative record absent a contrary ruling by the Regional Board Chair. Many of these documents are also posted on-line at: http://www.waterboards.ca.gov/santaana/public_notices/enforcement_actions.shtml. FOR MANDATORY MINIMUM PENALTY COMPLAINT NO. R8-2013-0059-REVISED**

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent Acosta Tool (hereinafter "Acosta Tool") in connection with Mandatory Minimum Penalty Complaint No. R8-2013-0059 (hereinafter the "Complaint"). Check here and sign below if Acosta Tool waives the hearing requirement and will pay the liability in full.

- a. I hereby waive any right Acosta Tool may have to a hearing before the Regional Board.
- b. I certify that Acosta Tool will remit payment for the proposed penalty in the full amount of one thousand seven hundred fifty dollars (\$1,750) by check that references "Complaint No. R8-2013-0059" made payable to the Waste Discharge Permit Fund.
