

**State of California
California Regional Water Quality Control Board
Santa Ana Region**

January 29, 2010

ITEM: XX

SUBJECT: Renewal of Waste Discharge Requirements for the Riverside County Flood Control and Water Conservation District, the County of Riverside, and the Incorporated Cities of Riverside County within the Santa Ana Region, Urban Runoff Management Program, Order No. R8-2010-0033 (NPDES No. CAS 618033)

BACKGROUND

On July 23, 2009, the first draft of the Riverside County municipal storm water permit was released for public comments. Subsequently, on August 3, 2009, the Regional Board held a public workshop on this item. Based on comments received at the workshop, during a number of stakeholder meetings, and written comments from interested parties, a second draft of the tentative order was released for public comments on October 22, 2009. Based on further comments by interested parties and stakeholders a third draft of the tentative order and Fact Sheet were released on December 15, 2009 (attached to this staff report) that included further refinements to the second draft. The Regional Board will consider adoption of the December 15, 2009 draft of the tentative Order at the January 29, 2010 Board meeting.

DISCUSSION

See attached Fact Sheet.

RECOMMENDATION

Adopt Order No. R8-2010-0033, NPDES No. CA8618033, as presented.
