Completeness Review – 2007 Report of Waste Discharge (ROWD) for the Riverside County Flood Control and Water Conservation District, the County of Riverside, and the Incorporated Cities of Riverside County, NPDES No. CAS618033, Areawide Urban Storm Water Runoff

Dear Mr. Stump:

We have reviewed your letter dated June 27, 2007, and subsequent submittal dated July 30, 2007, in response to our ROWD review letter dated May 29, 2007. With additional information that was provided, we deem the ROWD administratively complete.

Your submittals pointed out that some of the information that we requested were already included with the annual report, ROWD, and other submittals. Any outstanding issues, such as concerns with the consolidated monitoring program, will be addressed during renewal of the MS4 permit.

We will provide a draft permit for your review in the near future along with a proposed meeting schedule to discuss the elements of the new permit at that time.

If you have any questions, please contact me at (951) 782-4419 or Mr. Keith L. Elliott at (951) 782-4925.

Sincerely,

Milasol C. Gaslan, Chief
Storm Water Unit
