Dear Mr. Robertus:

This letter is to notify the RWQCB that the City of San Diego has ceased the groundwater discharge to San Diego Bay from the San Diego Convention Center. Effective March 26, 2008, this flow was re-directed to the sewer system.

The discharge to San Diego Bay had been regulated by SDRWQCB Order No. R9 2003-0050, NPDES Permit No. CA0109029 and CDO Order No. R9 – 2003 – 0086, plus Addendum. The discharge to the sewer will now be regulated by the City of San Diego's Industrial Pretreatment Program. In accordance with the termination of the discharge to the Bay, it is requested that Order R9 2003-0050 be rescinded.

If you have any questions, please call me at 619-525-8686.

Sincerely,

Mario X. Sierra
