**Subject:** RE: Request for Workshop on Development/Hydromod  
**Date:** Thursday, July 12, 2012 3:59:59 PM

---

Eric

We have concurrence from the County of San Diego with Orange County taking the lead in putting this workshop on.

We'll have a provisional draft proposal to you next week

Thanks

Richard Boon, Chief  
Orange County Stormwater Program  
(714)955-0670

**Subject:** Request for Workshop on Development/Hydromod

Hi All-

As discussed in yesterday's focused meeting, the San Diego Water Board agreed to participate in a workshop to hear presentations on the development and hydromodification requirements of the Regional MS4 Permit. We would request that the Copermitees develop the agenda, set the presentations, and invite interested stakeholders. We would be available to present an overview of the proposed permit requirements during the workshop. There is an opportunity for this type of workshop during the a month break between the 3<sup>rd</sup> and 4<sup>th</sup> focused meeting (July 25 to August 22).

Please let us know if you would like to discuss potential dates. Thanks.

Eric Becker, P.E.
