Re: Cover Letter for the Application for Section 401 Certification for the Gregory Canyon Bridge on the San Luis Rey River

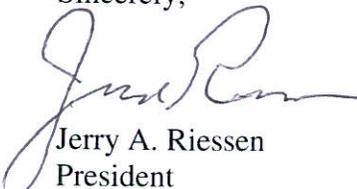

Dear Mr. Robertus:

Gregory Canyon Ltd., LLC hereby transmits our application for Section 401 Certification in conjunction with the Section 404 permit for the proposed bridge crossing of the San Luis Rey River at Gregory Canyon. Attached to this letter are:

1. A completely filled out application form.
2. A full, technically accurate description of the project, including its purpose and final goal.
3. A complete description of the project.
4. Identification of the Section 404 permit applied for, and also other related federal permits that have been applied for.
5. Copies of the federal applications.
6. A list of applicable federal, state or local permits that are being sought.
7. A copy of the project design features and mitigation measures from the certified Revised Final EIR for the landfill.
8. A fee deposit of \$640.00
9. Additional supporting documents.

If you have any questions, please contact Mr. Jim Simmons of Consultants Collaborative at (760) 471-2365.

Sincerely,

Jerry A. Riessen
President

Attachment A
