Stakeholders,

Attached is the agenda for the September 5, 2012 Workshop. This Workshop is intended to wrap up the Water Board's focused meeting process on the Administrative Draft Regional MS4 Permit. As an outcome of the focused meetings, the Permit Team has identified provisions of the Administrative Draft Regional MS4 Permit where clarification or modification is needed. The Permit Team plans to highlight potential changes to the Administrative Draft Regional MS4 Permit as well as update stakeholders on the Regional MS4 Permit Tentative Order release and Regional Board adoption schedule.
