Hi Claudio,

Thanks for making the time to meet with us yesterday. We heard a lot of information that has provided some food for thought. Hopefully, you all learned something about what we are trying to achieve with the regional permit, providing some food for thought on how we might be able to improve the permit requirements.

We forgot to make a sign in sheet and I just wanted to make sure that I have the correct names of the people who attended the meeting. Other than Laurie, Eric and myself from the San Diego Water Board, those in attendance included:

David Garcia, Riverside County Flood Control
Claudio Padres, Riverside County Flood Control
Bob Callecot, Consultant to Riverside County Flood Control
Mike Shetler, County of Riverside
Bill Woolsey, City of Murrieta
Aldo Licitra, City of Temecula
Steve Palmer, City of Wildomar (attended via phone)

Please let me know if the list above is correct, and if I misspelled anyone's name.

Thanks again,
Wayne
