Eric,

Your e-mail was forwarded to the City of Wildomar as requested. For future reference, Steve Palmer's e-mail address is: spalmer@cityofwildomar.org. Also please include me on your future e-mails as well.

Thank you for your offer to meet to summarize the June 27 Focus Meeting. However, given our workloads and priorities as we have previously discussed, a meeting to summarize the topics discussed is not warranted. I expect that your meeting notes will adequately provide that summary.

Regards,

Claudio M. Padres, PE
Senior Civil Engineer – Water Quality Planning
Watershed Protection Division

Riverside County Flood Control
and Water Conservation District

1995 Market Street, Riverside, CA 92501

Subject: Offer for Focused Meeting Follow Up With Riverside County MS4 Copermittees

Hi All-

It was unfortunate that you could not attend our first Focused Meeting on the Regional MS4

Permit yesterday. We had a very productive meeting and will provide the meeting notes next week. In addition, we are offering to meet with you in Riverside County to provide a summary of topics discussed at the focused meeting. Please let us know if you would like to meet.

Hopefully, someone from the Riverside County Copermittees can be at our next July 11th Focused Meeting.

Could you also forward this email to Steve Palmer with the City of Wildomar. Thanks.
