Hi Jo Ann,

Eric is out and will not return until August 6. If you want Eric at the meeting, it will have to be sometime after he returns. Otherwise, it looks like Laurie and I have time to meet with your team on August 2 if you are comfortable without Eric being at the meeting.

Let me know where and when you would like to meet so I can mark some time on our calendars.

Thanks,
Wayne

Dear Eric, We thank you for your attention at the Focused Meeting yesterday and wish to pursue the opportunity to meet with you to further discuss Copermittees' Alternate Provision D. Would you be available to meet with the Copermittees' team on Thursday, August 2nd from 10 am to noon? Thank you, Jo Ann
