

Appendix C

Calibration Plots for the EFDC Sediment Transport Model at the Mouths of Chollas and Paleta Creeks

Figure C-1. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 1.....	1
Figure C-2. Comparison of simulated and observed TSS concentrations at the mouth of Chollas Creek, Trackline 3.....	1
Figure C-3. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 4.....	2
Figure C-4. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 5.....	2
Figure C-6 Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 6.....	3
Figure C-7. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 7.....	3
Figure C-8 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 1.....	4
Figure C-9 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 2.....	4
Figure C-10 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 3.....	5
Figure C-11 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 4.....	5
Figure C-12. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 5.....	6
Figure C-13. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 6.....	6
Figure C-14. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 7.....	7

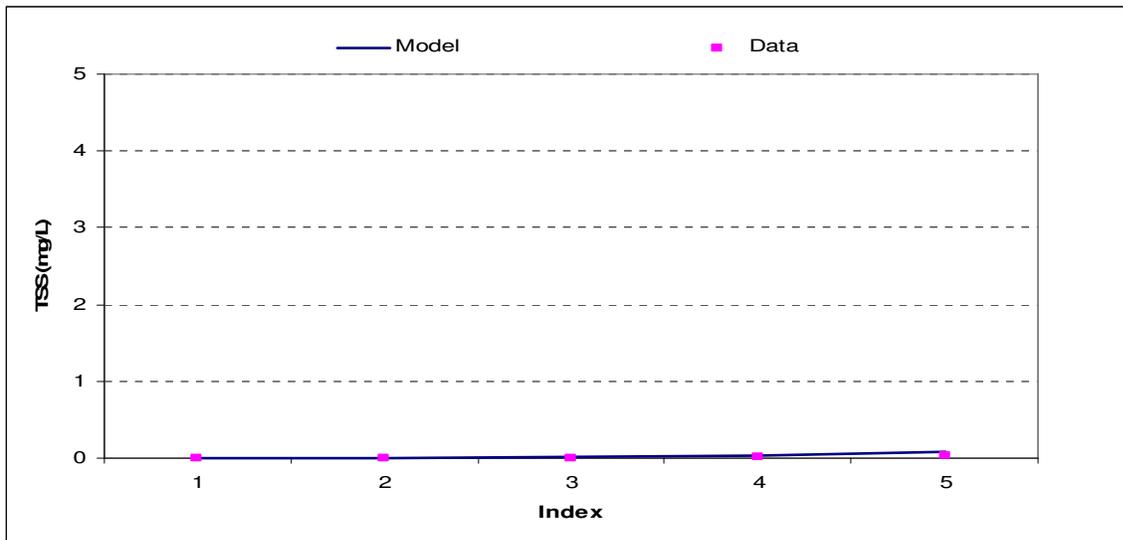

Figure C-1. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 1.

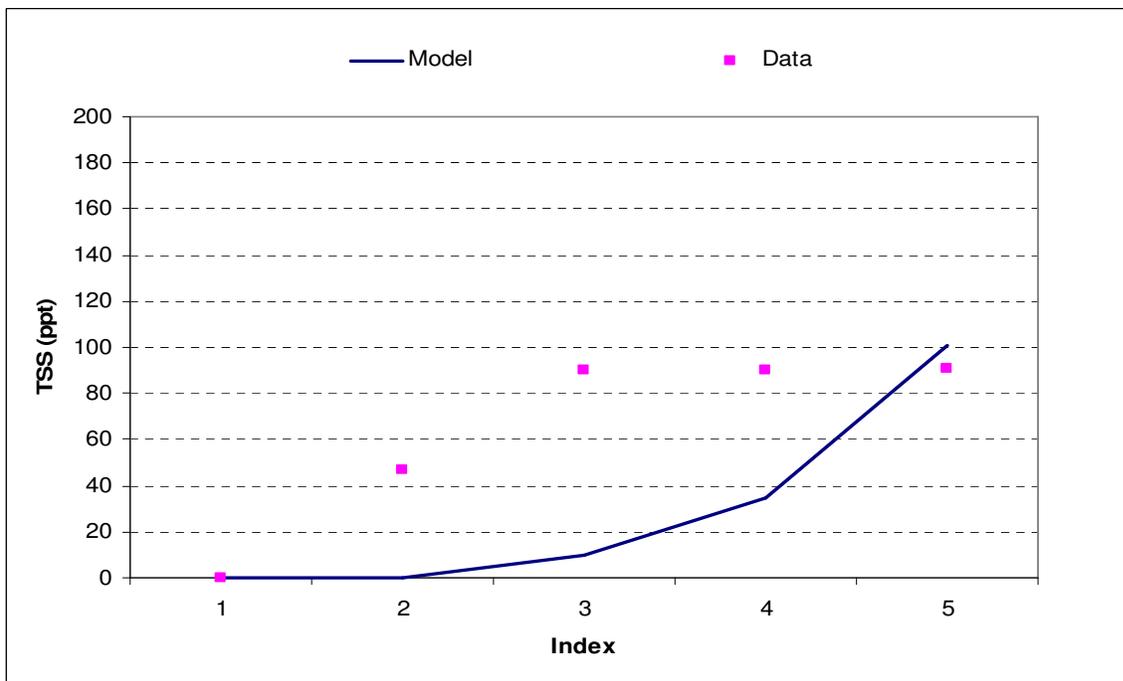

Figure C-2. Comparison of simulated and observed TSS concentrations at the mouth of Chollas Creek, Trackline 3.

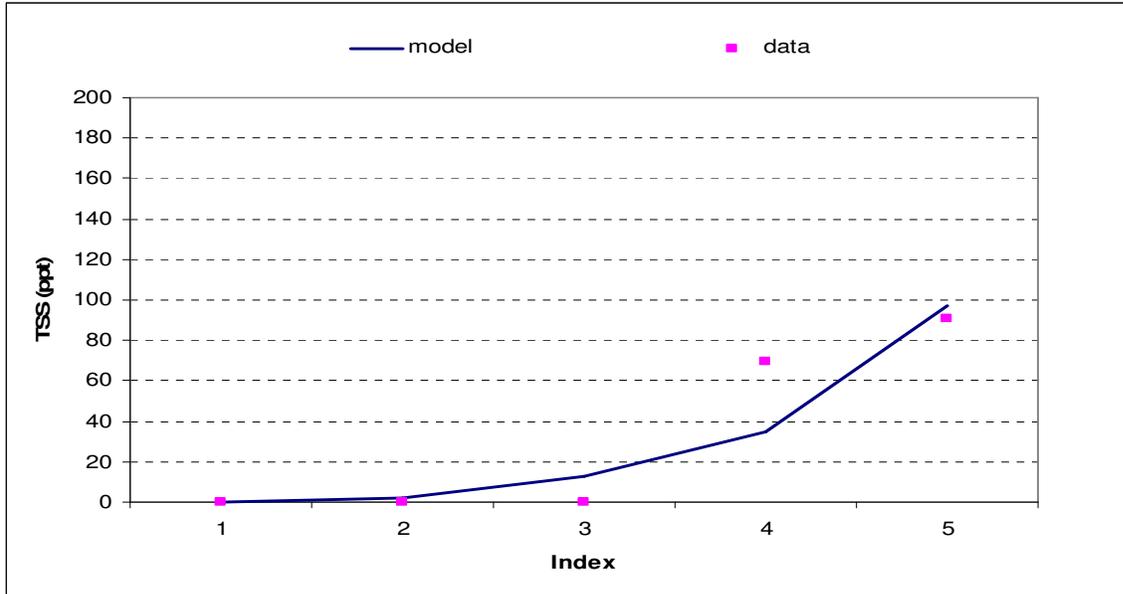

Figure C-3. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 4.

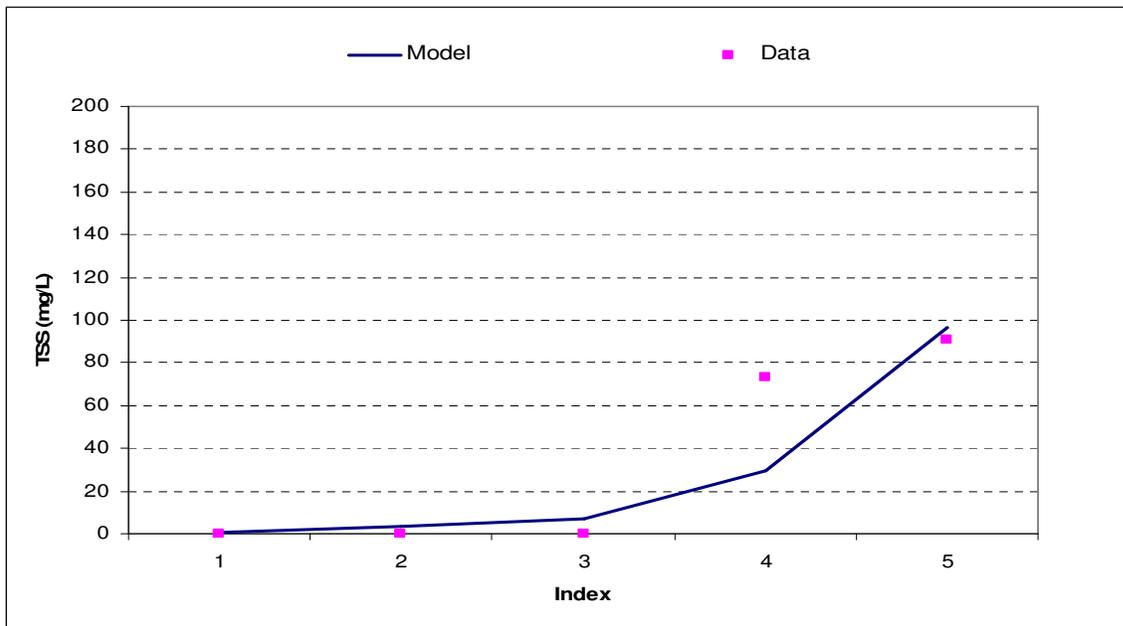

Figure C-4. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 5.

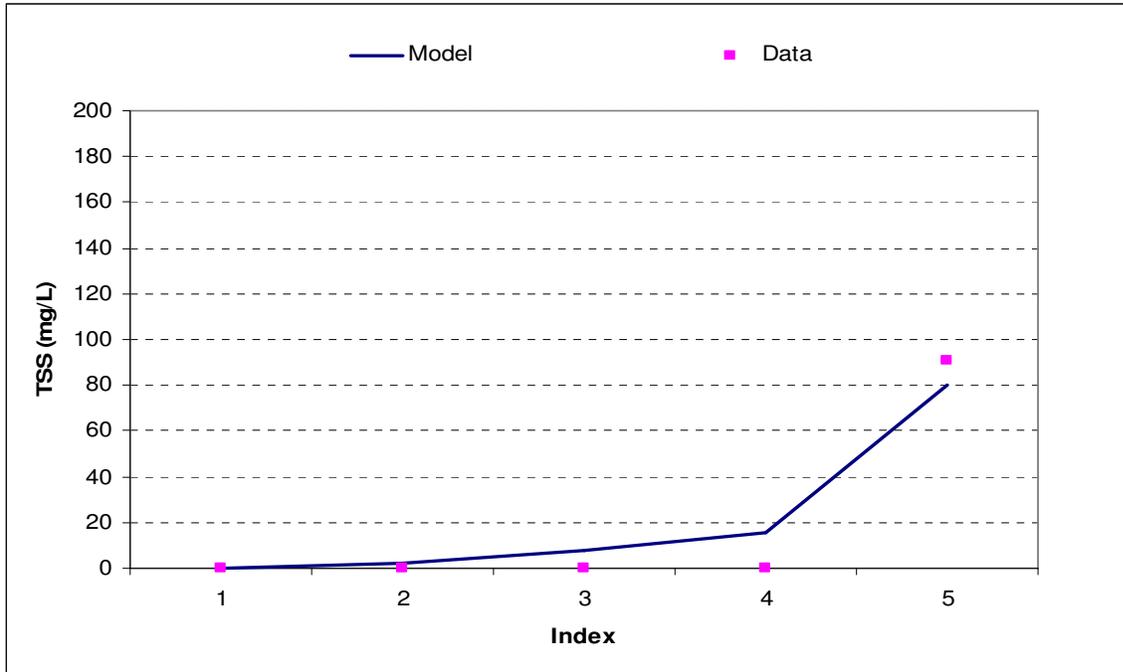

Figure C-6 Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 6.

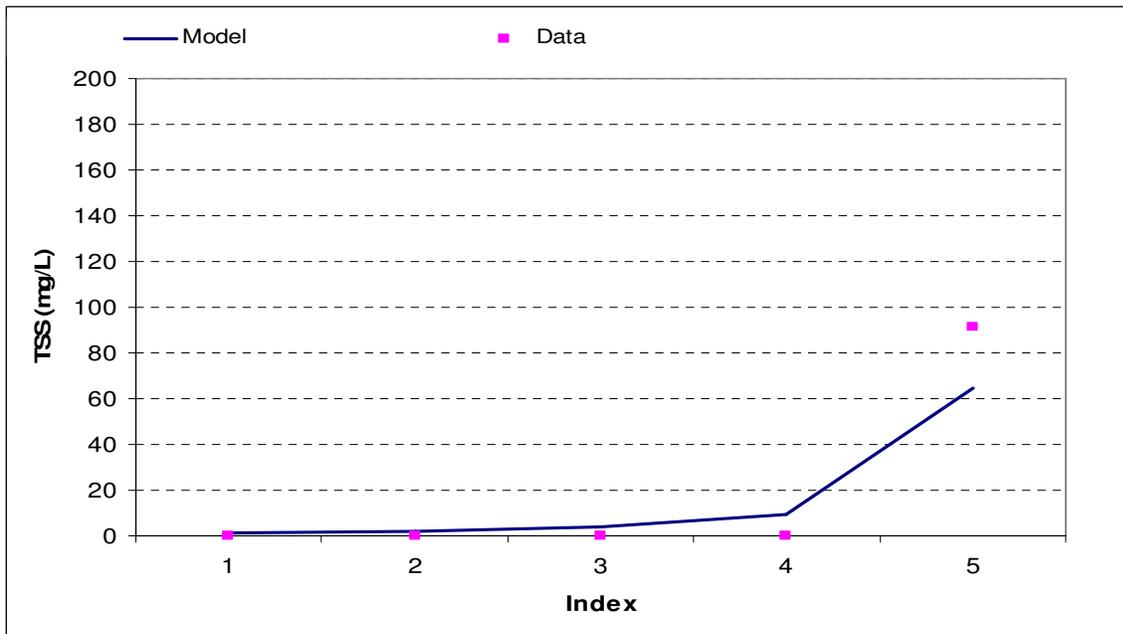

Figure C-7. Comparison of simulated and observed TSS concentration at the mouth of Chollas Creek, Trackline 7.

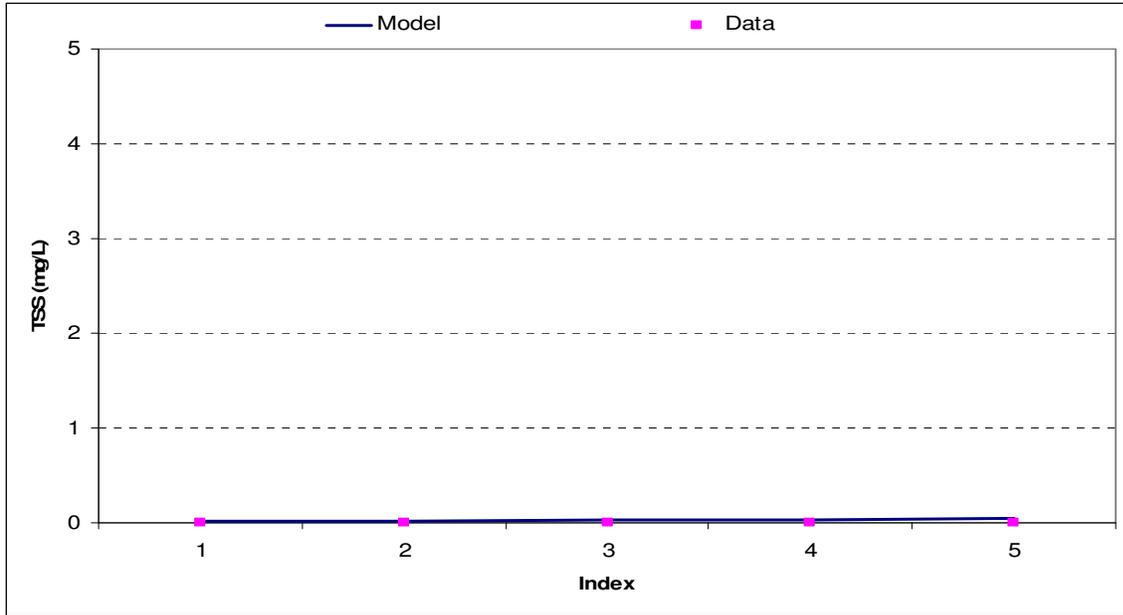

Figure C-8 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 1.

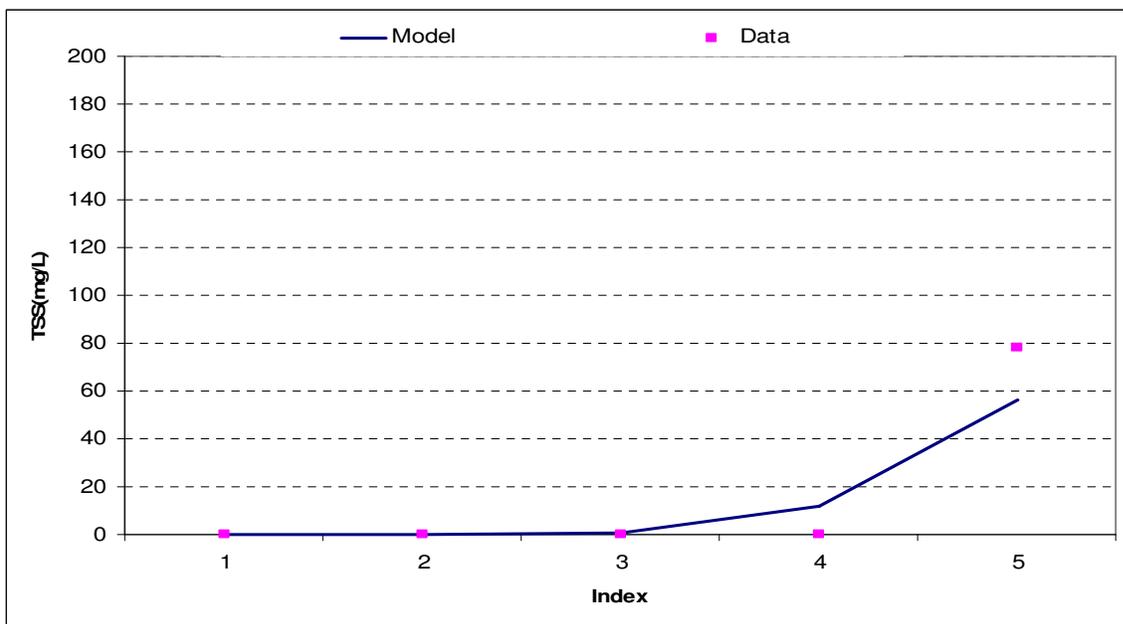

Figure C-9 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 2.

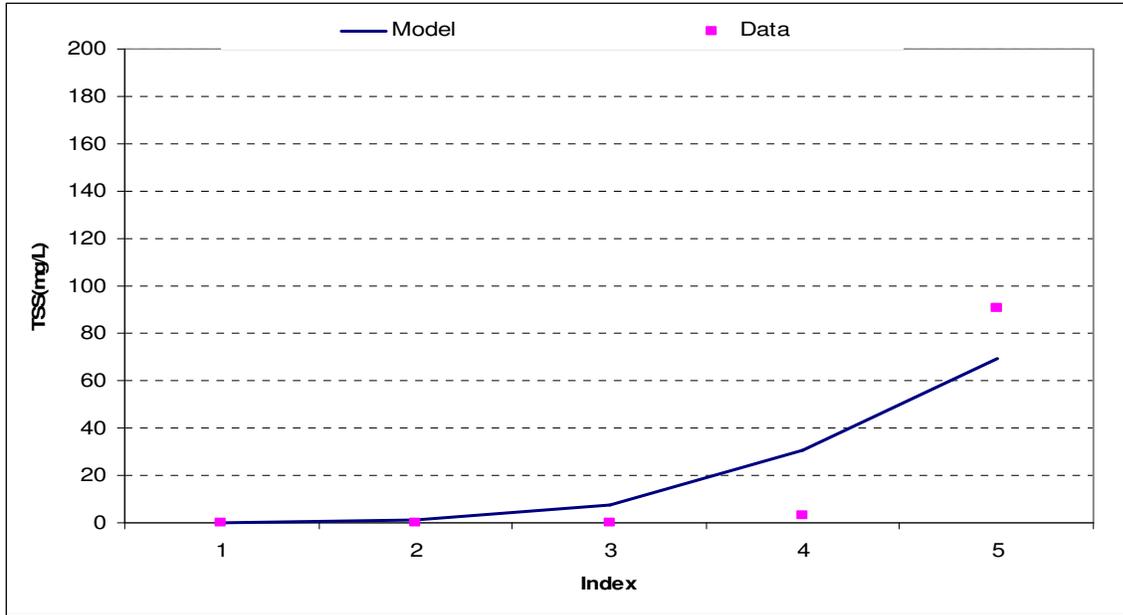

Figure C-10 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 3.

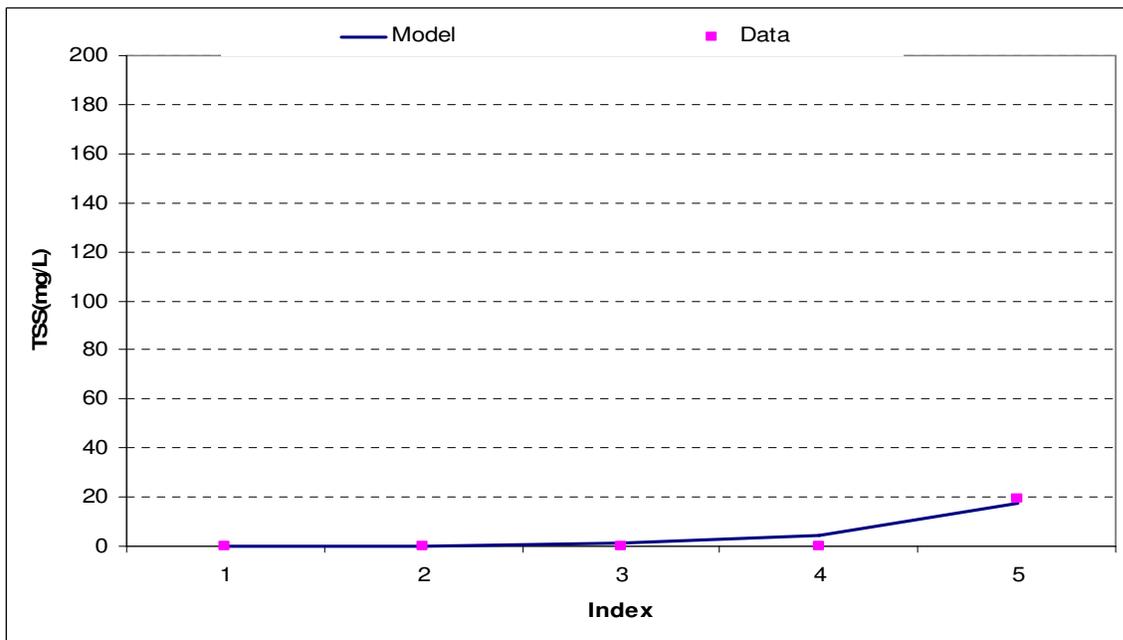

Figure C-11 Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 4.

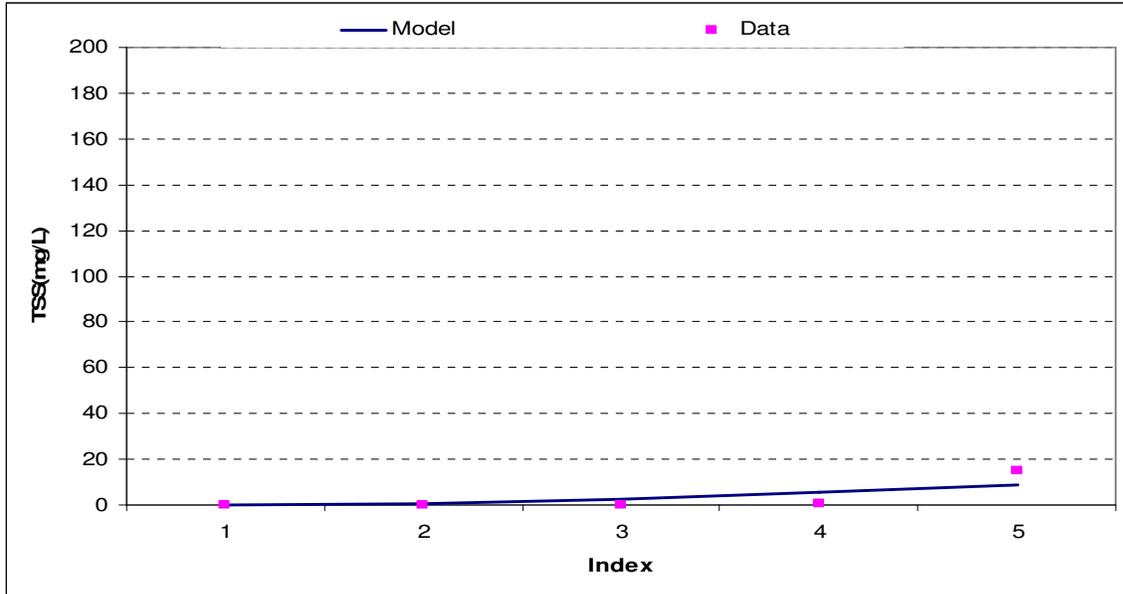

Figure C-12. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 5.

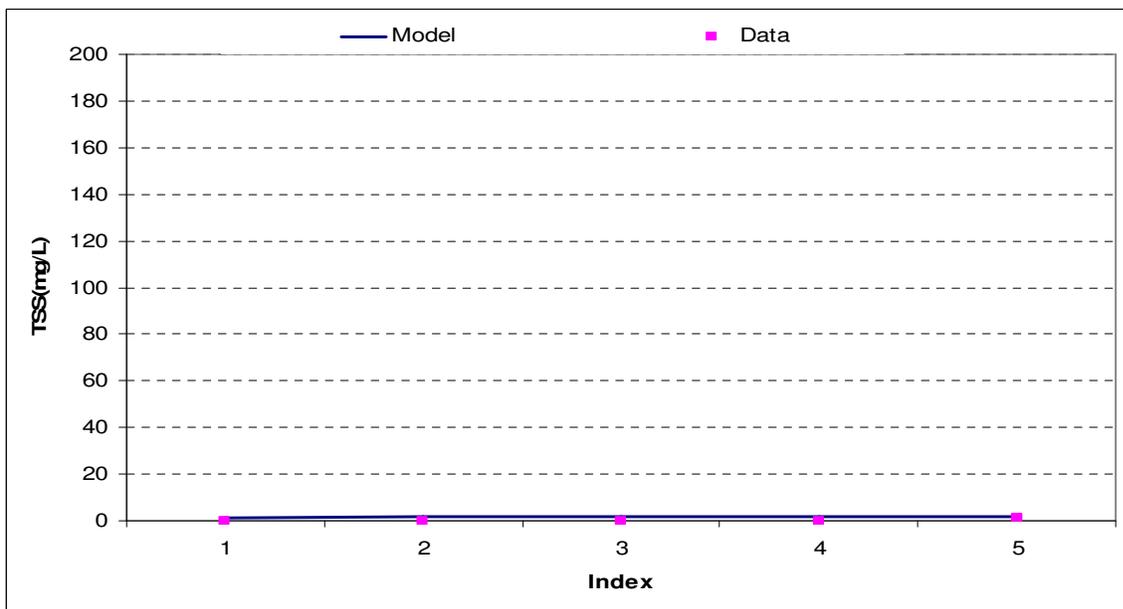

Figure C-13. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 6.

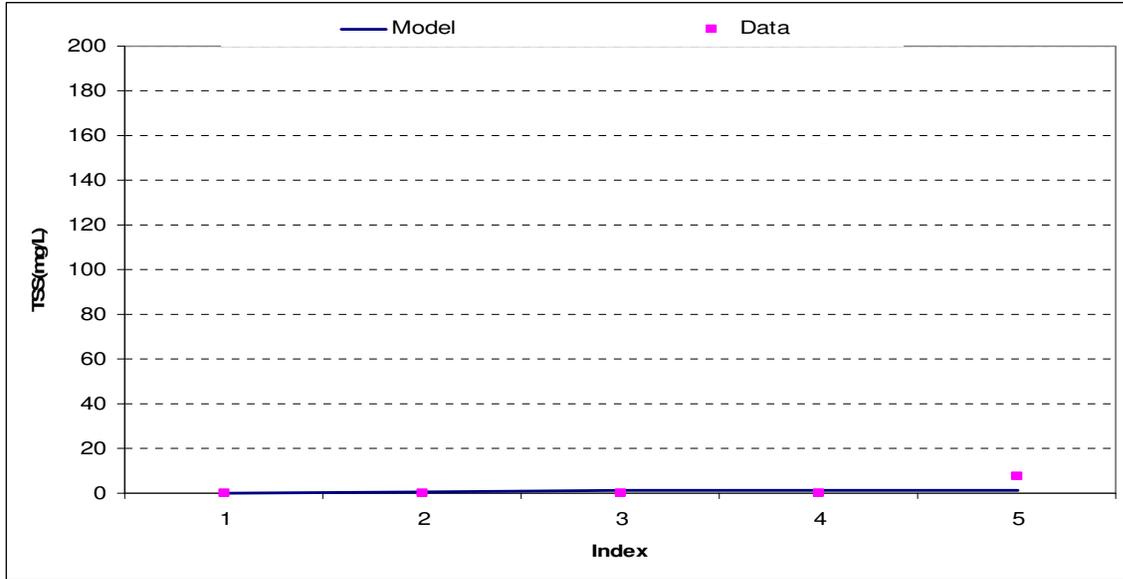

Figure C-14. Comparison of simulated and observed TSS concentration at the mouth of Paleta Creek, Trackline 7.
