

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN FRANCISCO BAY REGION

RESOLUTION NO. 73-18

AMENDMENT TO RESOLUTION 73-13, REDEFINING THE BOUNDARIES
OF THE PROHIBITION AGAINST WASTE DISCHARGES TO INDIVIDUAL
LEACHING OR PERCOLATION SYSTEMS IN THE STINSON BEACH AREA
OF MARIN COUNTY

- I. WHEREAS the Regional Board, at the meeting of September 25, 1973, adopted Resolution 73-13, which amended the Water Quality Control Plan (Interim) San Francisco Bay Basin, to prohibit waste discharges to individual leaching or percolation systems in the Stinson Beach area of Marin County, and
- II. WHEREAS the area affected by that resolution includes approximately 300 acres of lands which are slated for inclusion in the Golden Gate National Recreation Area in the near future as shown on the attached map, and therefore not subject to development, and
- III. WHEREAS the inclusion of such lands in the Basin Plan prohibition may work an unintended hardship on their owner by lowering their appraised value when being acquired by the federal government.
- IV. THEREFORE BE IT RESOLVED that this Regional Board amends Resolution 73-13 as follows:

Under item IX, the paragraph which begins, "The Stinson Beach area is defined as follows:" is hereby deleted, and in its place the following paragraph is hereby added:

The Stinson Beach area is defined to include the following: Stinson State Beach, the Seadrift Sand Spit, and all lands extending from these areas to the boundaries of the Golden Gate National Recreation Area as established in HR 16444; plus the following Marin County Assessor's parcels 195-182-14; 195-231-03, 04, 10, 11, 12, 18, 19, 23, 24, 25, 27; 195-233-03, 05, 06, 07; 195-260-09, 25, 30; 199-040-27, 29, 30, 31, 46, 47.

I, Fred H. Dierker, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of a Resolution adopted by the California Regional Water Quality Control Board, San Francisco Bay Region, on November 27, 1973.

Executive Officer
