Subject: Amendment to Table C.3b.v.(1) of the City of Mountain View's FY 2012-2013
Annual Report

Dear Ms. Lee,

During a recent review of the City of Mountain View's FY 2012-2013 Annual Report for the municipal stormwater program, which was conducted by City staff during preparation of the Special Projects Report, a deficiency in Table C.3.b.v.(1) was observed. The deficiency in the Table was that project data was reported as "not available" for one project, named Castro Mixed Use at 605 Castro St. The project data had been submitted with plans but was not included in the Annual Report table. The Table has been revised to show the required information. The purpose of this letter is to submit a revised Table C.3.b.v.(1) of the City of Mountain View's FY 2012-2013 Annual Report, which includes project data for the Castro Mixed Use project. The revisions are shaded in the attached Amended Table C.3.b.v.(1) of the FY 2010-2011 Annual Report.

Sincerely,

Eric Anderson, Environmental Safety Coordinator
