

TRASH HOT SPOT REPORTING FORM
July 2010

Town of Woodside

Site ID: 001

Site Location: Alambique Creek adjacent to Roberts Market. The “hot spot” starts at the bridge off the corner of Woodside Road and Mountain Home Road and ends about 100 yards upstream (west).

Watershed: San Francisquito Creek Watershed

Waterbody: Alambique Creek

Jurisdiction: Town of Woodside

Ownership: George Roberts (Roberts Market)

Trash Pathways/Sources: Litter

Site Identified by: Town of Woodside

Agency Contact: Gratien Etchebehere, Town of Woodside

Justification

Information Supporting Selection as a Hot Spot: The vast majority of the Town of Woodside is rural and residential and does not generate very much litter. The “hot spot” we have chosen is in the commercial district adjacent to the parking lot at Roberts Market. Many people eat lunch on the benches located directly adjacent to the creek and generate a fair amount of litter.
