

taken to ensure that future annual reports are submitted on time. The two NNCs are attached as Exhibits 1 and 2.

6. On September 27, 2010, Board staff spoke with Mr. Manuel Reynoso, OC Metal's contact, informing him of the mandatory minimum penalty if the annual report was not submitted by September 28, 2010. On September 28, 2010, during a telephone conversation with Board staff, Mr. Reynoso indicated that he would submit the 2009-2010 annual report by the end of the day. The annual report was received at the Regional Board office on October 13, 2010. This facility violated the General Permit, the Federal Clean Water Act and the California Water Code by failing to submit the 200-2010 annual report by July 1, 2010.
7. Section 13385(a)(2) of the California Water Code provides that any person who violates waste discharge requirements issued pursuant to the Federal Clean Water Act shall be civilly liable. Section 13385(c) provides that civil liability may be administratively imposed by a regional board in an amount not to exceed ten thousand dollars (\$10,000) for each day the violation occurs.
8. Based on non-submittal of the 2009-2010 annual report, the OC Metal is alleged to have violated the General Permit for 103 days (from July 2, 2010 to October 12, 2010). The total maximum liability for this violation pursuant to Section 13385 of the Water Code is \$1,030,000 (103 days of noncompliance x \$10,000/day).
9. Section 13399.33(c) of the California Water Code requires that the Regional Board impose a minimum penalty of \$1,000 for any person who fails to submit an annual report in accordance with Section 13399.31 of the Water Code. Section 13399.33(d) of the California Water Code further requires that the Regional Board recover the costs incurred by the Regional Board with regard to those persons.

#### **PROPOSED MANDATORY MINIMUM PENALTIES AND ASSESSMENT OF COSTS**

1. Pursuant to Section 13399.33(c) the Division Chief proposes that the mandatory minimum penalty of \$1,000 be imposed on OC Metal for the violation cited above. In addition, the Division Chief proposes that costs in the amount of \$750 be recovered from OC Metal. The total proposed mandatory minimum penalty and staff costs amount is \$1,750.
2. Notwithstanding the issuance of this Complaint, the Regional Board retains the authority to assess additional penalties for violations of the requirements of Orange County Metal Processing's waste discharge requirements for which penalties have not yet been assessed or for violations that may subsequently occur.
3. Issuance of this Complaint is an enforcement action and is therefore exempt from the provisions of the California Environmental Quality Act (Pub. Res. Code § 21000 et seq.) pursuant to title 14, California Code of Regulations sections 15308 and 15321 subsection (a) (2).

## WAIVER FORM FOR MANDATORY MINIMUM PENALTY COMPLAINT

By signing this waiver, I affirm and acknowledge the following:

I am duly authorized to represent Orange County Metal Processing in connection with Mandatory Minimum Penalty Complaint No. R8-2010-0065 (hereinafter the "Complaint"). I am informed that California Water Code Section 13323, subdivision (b), states that, "a hearing before the Regional Board shall be conducted within 90 days after the party has been served [with the Complaint]. The person who has been issued a complaint may waive the right to a hearing."

**Check here and sign below if Orange County Metal Processing waives the hearing requirement and will pay the penalty in full.**

- a. I hereby waive any right Orange County Metal Processing may have to a hearing before the Regional Board.
- b. I certify that Orange County Metal Processing will remit payment for the proposed penalty in the full amount of one thousand seven hundred fifty dollars (\$1,750) by check that references "Complaint No. R8-2010-0065" made payable to the Waste Discharge Permit Fund. Payment must be received by the Regional Board office no later than **February 03, 2011** or the Regional Board may adopt an Order requiring payment.
- c. I understand the payment of the above amount constitutes a proposed settlement of the Complaint, and that any settlement will not become final until after the 30-day public notice and comment period. Should the Regional Board receive significant new information or comments from any source (excluding the Regional Board's Prosecution Team) during this comment period, the Regional Board's Division Chief may withdraw the Complaint, return payment, and issue a new Complaint. I understand that this proposed settlement is subject to approval by the Executive Officer of the Regional Board, and that the Regional Board may consider this proposed settlement in a public meeting or hearing. I also understand that approval of the settlement will result in Orange County Metal Processing having waived the right to contest the allegations in the Complaint and the imposition of civil liability.
- d. I understand that payment of the above amount is not a substitute for compliance with applicable laws and that continuing violations of the type alleged in the Complaint may subject Orange County Metal Processing to further enforcement, including additional civil liability.
