

California Regional Water Quality Control Board
Santa Ana Region

October 29, 2010

STAFF REPORT

ITEM: *6

SUBJECT: Rescission of Waste Discharge Requirements, Order No. R8-2010-0038

DISCUSSION:

Waste discharge requirements for the facilities/entities listed in Attachment "A" of Order No. R8-2010-0038 are no longer necessary because the facility is either no longer in operation or the project has been completed and WDRs are no longer required.

RECOMMENDATION:

Adopt Order No. R8-2010-0038, as presented.

In addition to the dischargers listed in Attachment "A", comments were solicited from the following agencies:

U.S. Environmental Protection Agency, Permits Issuance Section (WTR-5)
State Water Resources Control Board, Office of the Chief Counsel – David Rice
California Department of Public Health, San Bernardino – Sean McCarthy
California Department of Public Health, Santa Ana – Oliver Pacifico
California Department of Public Health, San Diego – Steven Williams
State Department of Water Resources, Glendale
State Department of Fish and Game, Ontario
Orange County Water District – Nira Yamachika
Orange County Public Works/Watersheds – Chris Crompton
Riverside County Department of Environmental Health Services – John Watkins
Riverside County Transportation/Flood Control Department – Jason Uhley
San Bernardino County Environmental Health Services – Terri Williams
San Bernardino County Department of Public Works, Flood Control – Naresh Varma

California Regional Water Quality Control Board
Santa Ana Region

Order No. R8-2010-0038

Rescission of Waste Discharge Requirements
for
Specific Facilities

The California Regional Water Quality Control Board, Santa Ana Region (hereinafter Board), finds that:

1. The Orders listed in Attachment "A" were issued by the Board at various times for the facilities described therein. Attachment "A" is hereby made a part of this Order. Waste discharge requirements for the facilities listed in Attachment "A" are no longer necessary because the facility is either no longer in operation or the project has been completed and WDRs are no longer required.
2. This action is based on the fact that specific discharges were not initiated or have ceased, or the responsibility for the discharge has changed. As such, this action is exempt from the requirements of the California Environmental Quality Act in accordance with Section 15061(b)(3), Chapter 3, Title 14 of the California Code of Regulations.
3. The Board has notified the dischargers and interested agencies and persons of its intent to rescind the Orders for the facilities listed in Attachment "A" and has provided them with an opportunity to submit written comments and recommendations.
4. The Board, in a public meeting, heard and considered all comments pertaining to the rescission of waste discharge requirements.

IT IS HEREBY ORDERED that the Orders listed in Attachment "A" be rescinded.

I, Kurt V. Berchtold, Executive Officer, do hereby certify that the foregoing is a full, true, and correct copy of an Order adopted by the California Regional Water Quality Control Board, Santa Ana Region, on October 29, 2010.

Kurt V. Berchtold
Executive Officer
