**Item: 14**

**Subject: Lake Elsinore and Canyon Lake Total Maximum Daily Load (TMDL)  
Task Force Agreement**

**Discussion:**

On December 20, 2004, the California Regional Water Quality Control Board, Santa Ana Region (Regional Board), adopted Resolution No. R8-2004-0037, amending the Water Quality Control Plan for the Santa Ana River Basin (Basin Plan). The amendment incorporates nutrient Total Maximum Daily Loads (TMDLs) for Lake Elsinore and Canyon Lake in Chapter 5, "Implementation" of the Basin Plan. The TMDLs were approved by the State Water Resources Control Board (State Water Board) on May 19, 2005 (Resolution No. 2005-0038) and the California Office of Administrative Law (OAL) on July 26, 2005. On September 30, 2005, the US Environmental Protection Agency, Region IX approved the Lake Elsinore and Canyon Lake Nutrient TMDLs. The purpose of the TMDLs is to ensure attainment of water quality standards (beneficial uses, water quality objectives and antidegradation policy) in Lake Elsinore and Canyon Lake. The beneficial uses of both lakes are impaired due to nutrients.

The Lake Elsinore and Canyon Lake Nutrient TMDLs include specific requirements for the implementation of nutrient control measures, monitoring of nutrient discharges, and development of plans and schedules for management of nutrient inputs from specific sources, including urban runoff, internal lake sediments, and runoff from agricultural and forested lands. The TMDLs require certain dischargers to develop and implement nutrient reduction strategies to address inputs from specific land use activities. In addition, some TMDL implementation tasks, such as monitoring, are the joint responsibility of all dischargers of nutrients.

Board staff is also in the process of developing a TMDL for Canyon Lake to address elevated bacteria levels in the lake that impair both the municipal water supply beneficial use (MUN) and the recreation beneficial use (REC1). It is anticipated that many of the same dischargers named in the Nutrient TMDLs will also be identified as dischargers responsible for implementing the Canyon Lake Bacteria TMDL requirements.

In order to implement the existing Nutrient TMDL requirements and to develop effective solutions for improving water quality in Lake Elsinore and Canyon Lake, affected responsible agencies and stakeholders have formed a Lake Elsinore and Canyon Lake TMDL Task Force. Members of the Task Force include the following:

- ❖ US Forest Service
- ❖ US Air Force (March Air Reserve Base)
- ❖ March Joint Powers Authority
- ❖ California Dept. of Transportation (Caltrans)
- ❖ California Dept. of Fish and Game
- ❖ County of Riverside
- ❖ Riverside County Flood Control and Water Conservation District
- ❖ City of Lake Elsinore
- ❖ City of Canyon Lake
- ❖ City of Hemet
- ❖ City of San Jacinto
- ❖ City of Perris
- ❖ City of Moreno Valley
- ❖ City of Murrieta
- ❖ City of Riverside
- ❖ City of Beaumont
- ❖ Eastern Municipal Water District
- ❖ Elsinore Valley Municipal Water District
- ❖ Western Riverside County Agricultural Coalition (on behalf of concentrated animal feeding operators and agricultural operators within the San Jacinto watershed)

The Lake Elsinore and San Jacinto Watershed Authority (LESJWA) will serve as the Task Force Administrator. It is proposed that the Regional Board would serve on the Task Force as an advisory member, with no voting authority or financial responsibility. Board staff have been actively working with stakeholders and the Task Force member agencies since TMDL development activities began in 2000.

By joining the Task Force and signing the agreement, the Board signals its commitment to the Task Force effort and TMDL implementation process. Because of the large size of the Lake Elsinore/Canyon Lake Watershed, and the diverse discharger community and stakeholders, continued staff participation in TMDL implementation activities is needed to ensure that Lake Elsinore and Canyon Lake water quality is restored. However, it should be emphasized that if the Regional Board becomes a Task Force member, there would not be any financial obligation of the Board to fund TMDL implementation studies or actions. Further, the Regional Board is not bound to implement any results or recommendations from the Task Force. Rather, the Board's signature would denote commitment to meaningful participation in the TMDL implementation process to ensure that all stakeholders are meeting the requirements of the Nutrient TMDLs and any future Canyon Lake Bacteria TMDL requirements.

**Recommendation:**

Staff recommends the adoption of Resolution No. R8-2006-0057, authorizing the Executive Officer to sign the Task Force Agreement on behalf of the Board. Further, adoption of the Resolution would delegate to the Executive Officer all functions under the Agreement, including any future amendments to the Agreement.

California Regional Water Quality Control Board  
Santa Ana Region

Resolution No. R8-2006-0057

Authorizing the Signature of the Lake Elsinore and Canyon Lake Total Maximum Daily Load (TMDL) Task Force Agreement and Delegating Authority to the Executive Officer to Execute all Functions under the Agreement and to Consider Further Proposed Amendments to the Agreement

**Whereas, the California Regional Water Quality Control Board, Santa Ana Region (hereinafter Regional Board) finds that:**

1. The Lake Elsinore and Canyon Lake Nutrient TMDLs were approved by the Regional Water Quality Control Board (Regional Board) on December 20, 2004 (Resolution No. R8-2004-0037), the State Water Resources Control Board on May 19, 2005 (Resolution No. 2005-0038) and the California Office of Administrative Law (OAL) on July 26, 2005. On September 30, 2005, the US Environmental Protection Agency, Region IX approved the Lake Elsinore and Canyon Lake Nutrient TMDLs.
2. In July of 2006, the US Forest Service, the US Air Force (March Air Reserve Base), March Joint Powers Authority, California Department of Transportation (Caltrans), California Department of Fish and Game, the County of Riverside, the cities of Lake Elsinore, Canyon Lake, Hemet, San Jacinto, Perris, Moreno Valley, Murrieta, Riverside and Beaumont, Eastern Municipal Water District, Elsinore Valley Municipal Water District, and the Western Riverside County Agricultural Coalition (representing concentrated animal feeding operators and agricultural operators within the San Jacinto watershed) entered into an Agreement to form the Lake Elsinore and Canyon Lake TMDL Task Force.
3. The purpose of the Task Force is to review and develop recommendations to update the Lake Elsinore and Canyon Lake Nutrient TMDLs based on additional science and data, to plan and implement TMDL implementation tasks identified in the approved Lake Elsinore and Canyon Lake Nutrient TMDLs, and to plan and implement the Canyon Lake Bacteria TMDL implementation requirements once approved.
4. The Task Force Agreement contemplates that the Regional Board shall participate on the Task Force and serve as an advisory member.
5. The Regional Board's representative would fully participate in Task Force meetings, but will have no voting rights except as to further amendments to the Agreement. Further, the Regional Board would have no obligation to make any financial contributions, or any financial obligations under the Agreement.
6. Regional Board participation as an advisory member of the TMDL Task Force would facilitate timely compliance with the TMDL requirements.
7. It is appropriate to delegate to the Executive Officer authority to execute all functions under the Agreement and any further proposed amendments to the Agreement.
8. The Regional Board's signature to the Task Force Agreement neither connotes nor denotes a commitment by the Regional Board to implement the results and recommendations of the Task Force studies regarding revisions to the Lake Elsinore and

Tentative

Canyon Lake Nutrient TMDLs or any future TMDLs. Rather, the Board's signature denotes commitment to meaningful participation in considering appropriate revisions to the TMDLs, developing appropriate strategies to address the impairment in Lake Elsinore and Canyon Lake and ensuring that all responsible dischargers participate in the TMDL implementation process. The Regional Board does not relinquish any rights or obligations as a result of its participation on the Task Force.

**Now, Therefore, Be It Resolved That:**

1. The Executive Officer is authorized to sign the Agreement to form the Lake Elsinore and Canyon Lake TMDL Task Force.
2. The Regional Board authorizes the Executive Officer to perform all functions under the Agreement and to approve further necessary amendments to the Agreement consistent with this Resolution.

I, Gerard J. Thibeault, Executive Officer, do hereby certify that the foregoing is a full, true and correct copy of a resolution adopted by the California Regional Water Quality Control Board, Santa Ana Region, on July 14, 2006.

**I. RECITALS**

A. Whereas, in 1998, the Santa Ana Regional Water Quality Control Board (hereinafter "Regional Board") designated Lake Elsinore and Canyon Lake in the Lake Elsinore and San Jacinto Watersheds (Collectively the "Watersheds") as "impaired water bodies" pursuant to Section 303(d) of the federal Clean Water Act because of high levels of algae in both lakes and low dissolved oxygen in Lake Elsinore, attributed to excess phosphorus and nitrogen (NUTRIENTS). As a result of said Section 303 designation, the Clean Water Act requires that total maximum daily loads (hereinafter "TMDLs") be established by the Regional Board for these waterbodies.

B. Whereas, in response to the Section 303(d) designation, the Regional Board adopted a Resolution R8-2004-0037 on December 20, 2004 amending the Water Quality Control Plan for the Santa Ana River Basin (BASIN PLAN AMENDMENT) to incorporate nutrient TMDLs for Canyon Lake and Lake Elsinore. The Basin Plan Amendment specifies, among other things, an Implementation Plan (TMDL IMPLEMENTATION PLAN), which holds specified stake holders (TASK FORCE AGENCIES) individually and/or jointly liable for complying with the TMDLs by means of specific tasks to be completed by specified dates under penalty of law. These tasks include development and implementation of a watershed-wide nutrient water quality monitoring program, development of an in-lake nutrient monitoring

program for Canyon Lake and Lake Elsinore, development of a plan and schedule for in-lake sediment nutrient reduction for Lake Elsinore, development of a plan and schedule for evaluating in-lake sediment nutrient strategies for Canyon Lake, updating watershed and in-lake nutrient TMDL water quality models, developing a pollutant trading plan, and reviewing and revising the TMDL to reflect updated data and science.

C. Whereas, the purpose of this AGREEMENT is to form a task force (hereinafter "TASK FORCE") to implement certain tasks identified in the TMDL IMPLEMENTATION PLAN and to pursue TMDL related tasks agreed upon by TASK FORCE AGENCIES, and

D. Whereas, the TASK FORCE AGENCIES agree that the purpose of this TASK FORCE is to (1) review and develop recommendations to update the TMDL BASIN PLAN AMENDMENT based on the best available scientific information, and (2) implement TMDL IMPLEMENTATION PLAN Tasks identified below and jointly assigned to TASK FORCE AGENCIES, and (3) propose appropriate revisions to the TMDL BASIN PLAN AMENDMENT to the Santa Ana RWQCB by June 30, 2010, and (4) allow watershed stakeholders to participate in efforts to meet appropriate water quality standards so that Canyon Lake and/or Lake Elsinore can be de-listed from the Clean Water Act Section 303(d) list of impaired water bodies, and

E. Whereas, hundreds of individual agricultural and dairy operators are subject to the Canyon Lake and Lake Elsinore TMDLs and its component TMDL IMPLEMENTATION PLAN, and

F. Whereas the Western Riverside County Agricultural Coalition(WRCAC) is a non-profit organization representing the interests of agricultural and dairy operators within the San Jacinto Watershed, and

G. Whereas WRCAC's membership is open to any and all agricultural and dairy operators within the San Jacinto watershed, and

H. Whereas, March Air Reserve Base (MARB) is an installation of the United States Air Force, and the San Bernardino and Cleveland National Forest are on federal lands under the administration and management of the Forest Service. Both are agencies of the federal government, and are therefore subject to limitations in their ability to comply with every provision stated herein to the same extent that other non-federal TASK FORCE AGENCIES are able to comply. These limitations are based upon, but not limited to, those identified in the federal Clean Water Act, the federal Antideficiency Act, the principle of sovereign immunity and the holdings of the Supreme Court of the United States, and other binding federal court decisions, as they interpret those sources of federal law. The limitations so mentioned include, but are not limited to, the availability of federal funding to pay for participation in this program, and the ability of MARB and Forest Service to participate directly in sampling, research or data gathering activities which are not located on or near MARB or National Forest System lands or a point source of water discharge arising on MARB or National Forest System lands, or other activities not specifically authorized by the Federal Clean Water Act section 313. To the extent that the limitations described herein prevent MARB or Forest Service from fully participating in any aspect of this program, they reserve the right, in their sole discretion, to participate in the program as a matter of comity. By entering into this agreement, MARB and Forest Service do not authorize any of the TASK FORCE AGENCIES to exercise regulatory authority over them. MARB and Forest Service agree that State and federal regulatory agencies that are or may

become members of this TASK FORCE have regulatory authority over MARB and Forest Service only to the extent permitted by State or Federal Law.

I. Whereas, the TASK FORCE AGENCIES acknowledge and agree that the effectiveness of the TASK FORCE may be improved by the inclusion of other agencies as additional TASK FORCE AGENCIES to the TASK FORCE, and

J. Whereas, the Riverside County Flood Control and Water Conservation District (RCFC&WCD) serves as the Principal Permittee for the National Pollutant Discharge Elimination System (NPDES) Municipal Separate Storm Sewer System Permit (MS4) for the Santa Ana Region of Riverside County, and

K. Whereas, the County of Riverside and Cities of Beaumont, Canyon Lake, Hemet, Lake Elsinore, Moreno Valley, Murrieta, Perris, Riverside, San Jacinto are MS4 CO-PERMITTEES for the NPDES MS4 Permit for the Santa Ana Region of Riverside County, and

L. Whereas, the MS4 PRINCIPAL PERMITTEE and MS4 CO-PERMITTEES collectively represent the MS4 PERMITTEES within the San Jacinto Watershed, and

M. Whereas, the NPDES MS4 Permit for the Santa Ana Region of Riverside County is regulated by the REGIONAL BOARD and subject to the requirements of the nutrient TMDLs for Canyon Lake and Lake Elsinore, and

N. Whereas RCFC&WCD has agreed to provide services on behalf of itself as an NPDES MS4 PERMITTEE and on behalf of the MS4 CO-PERMITTEES for the purposes of this AGREEMENT, and

O. Whereas RCFC&WCD has prepared and reviewed the MS4 CO-PERMITTEES cost share allocation with MS4 CO-PERMITTEE staff at the NPDES MS4 Permit Technical Advisory Committee Meetings and with the affected City Managers and County Executive Office, or designated representatives thereof during the NPDES MS4 Permit Management Steering Committee Meeting of February 16, 2006, and

P. Whereas, the TMDL assigned nutrient waste load allocations for supplemental water (herein SUPPLEMENTAL WATER) addition to Lake Elsinore to stabilize the Lake's elevation, and

Q. Whereas, the nutrient waste load allocation for SUPPLEMENTAL WATER, which includes Island Well water, EVMWD treatment plant effluent, and other sources of non-stormwater, may reduce the TMDL waste load allocation and TMDL load allocation of other point and non-point sources because in-lake nutrient capacity was not adjusted to account for increased lake levels associated with the addition of SUPPLEMENTAL WATER, and

R. Whereas, the assumptions regarding load allocations for SUPPLEMENTAL WATER may not be consistent with the actual operation of SUPPLEMENTAL WATER sources, and

S. Whereas, the City of Lake Elsinore and EVMWD previously entered into an agreement to equally share the cost of SUPPLEMENTAL WATER addition to the Lake under the "Lake Elsinore Comprehensive Water Management Agreement", and

T. Whereas, for the purposes of this AGREEMENT, the City of Lake Elsinore shall be acknowledged and recognized as a separate and equal contributor with EVMWD for the cost and voting rights accorded under this AGREEMENT attributed to EVMWD for SUPPLEMENTAL WATER addition, and

U. Whereas, the TASK FORCE AGENCIES have considered many alternative cost sharing methodologies based on TMDL assigned load allocation, load reduction, and permutations thereof; and

V. Whereas, certain TASK FORCE AGENCIES were strong proponents of cost sharing based on load allocation and other TASK FORCE AGENCIES were strong proponents of cost sharing based on load reduction, and

W. Whereas, these TASK FORCE AGENCIES have been unable to agree upon a methodology for distributing costs based on either an allocation or a load reduction methodology; and

X. Whereas, the TASK FORCE AGENCIES have reviewed and agreed upon an interim negotiated cost allocation methodology acceptable to all TASK FORCE AGENCIES for the purposes of initiating the TASK FORCE, based on consideration of TMDL assigned load allocations, load reductions, and permutations thereof, and

Y. Whereas, the TASK FORCE AGENCIES agree that certain nutrient dischargers have been either inappropriately named or not named as responsible parties for various tasks in the BASIN PLAN AMENDMENT; and

Z. Whereas, the TASK FORCE AGENCIES agree that agricultural and dairy lands are converting to urban and open space lands, and

AA. Whereas, the TASK FORCE AGENCIES agree that an amendment to the TMDL to address, at minimum, the proper naming of responsible parties for various tasks in the TMDL IMPLEMENTATION PLAN, to correct the load allocation and waste load allocations to properly address the impacts of SUPPLEMENTAL WATER on Lake Elsinore, and to revise the load allocation and waste load allocations to address the ongoing conversion of agriculture and dairy lands to urban and/or open space should be addressed as part of a revision to the TMDL IMPLEMENTATION PLAN, and

BB. Whereas, the TASK FORCE AGENCIES agree that upon amendment of the existing BASIN PLAN AMENDMENT, including the TMDL IMPLEMENTATION PLAN, by the Regional Board to address, at a minimum, the issues described in Recital Z, the TASK FORCE AGENCIES will amend this AGREEMENT to revise the cost allocation methodology for future fiscal years to incorporate a task-specific cost sharing methodology, based on assigned load allocation or waste load allocation of TASK FORCE AGENCIES, or categories of TASK FORCE AGENCIES, responsible for each TMDL IMPLEMENTATION PLAN task, and

CC. Whereas, MARB agrees to budget for and to participate in the TASK FORCE, provided that sufficient funds are appropriated by the Congress, in FY 06-07 and future years, and on the condition that funding requirements under this agreement do not violate the Anti-deficiency Act, and provided that the Task Force Agencies agree to relocate the proposed monitoring station from Kitching Channel to the Heacock drainage channel, and use any fees provided by MARB, for participation in this program, to establish and monitor this station.

## II. COVENANTS

  - (3) Managing TASK FORCE funds and preparing annual reports of TASK FORCE assets and expenditures;
  - (4) Retaining TASK FORCE-authorized consultants; and
  - (5) Seeking funding grants to assist with achieving the work of the TASK FORCE and other goals and objectives approved by TASK FORCE AGENCIES.

The TASK FORCE AGENCIES hereby appoint the Lake Elsinore and San Jacinto Watersheds Authority as the initial TASK FORCE ADMINISTRATOR.

g. Meetings of the Task Force.

Each TASK FORCE AGENCY shall have one vote (herein VOTE) assigned for each \$1,000 increment of PRO RATA COST SHARE, as described in Paragraph II.5 below, contributed to the TASK FORCE budget developed for a given fiscal year (hereinafter "BUDGET"). A MAJORITY of the REPRESENTATIVES shall consist of greater than 50% of the total VOTES based on the BUDGET for the fiscal year during which the action is taken.

- (v) Brown Act. All meetings of the TASK FORCE or any of its committees shall be conducted as may be required by any applicable provisions of the Ralph M. Brown Act (California Government Code §§54950 et seq.). The provisions contained in the Ralph M. Brown Act shall prevail in the event of any conflict with provisions contained in this AGREEMENT.

The TASK FORCE may adopt such additional rules and regulations as may be required for the conduct of its affairs so long as such rules and regulations do not conflict with this AGREEMENT.

3. Work of the Task Force. The TASK FORCE shall perform the following tasks in accordance with guidelines established by the Regional Board:

- a. To retain consulting services to review scientific and other assumptions contained within the TMDL. Consultant(s) shall provide a report identifying preliminary TMDL opportunities such as site specific objectives, pollutant trading strategies, and integration strategies. The final

scope of work shall be approved by the Task Force. The report shall specifically consider assumptions supporting the TMDL. The report should also provide preliminary analysis of the ability to achieve in-lake nutrient reductions and verify that load assignments are appropriate. Upon completion of the report, Consultant(s) shall also review work described herein, and make recommendations to ensure that work is specifically designed to resolve any deficiencies, where appropriate. Consultant(s) shall also coordinate development of BASIN PLAN AMENDMENT language, in coordination with the Regional Board, which can be used to revise the TMDLs as part of the Regional Board's Triennial Reviews at a minimum, or no later than by June 2010.

- b. TMDL IMPLEMENTATION PLAN Task 4 - Develop and Implement a Watershed-wide Nutrient Monitoring Program. This program shall obtain data necessary to update the Lake Elsinore and Canyon Lake Nutrient TMDL, and to determine compliance with interim and final nitrogen and phosphorus allocations, and compliance with the nitrogen and phosphorus TMDLs. Monitoring and management of monitoring data to update the Lake Elsinore and Canyon Lake Nutrient TMDL shall commence immediately upon approval of this AGREEMENT. An annual report summarizing the data collected for the year shall be submitted to the Regional Board by August 15 of each year commencing in 2007.
- c. TMDL IMPLEMENTATION PLAN Task 4 - Develop and Implement a Lake Elsinore and Canyon Lake Nutrient Monitoring Program. This program shall obtain data necessary to update the Lake Elsinore and Canyon Lake Nutrient TMDLs, and to determine compliance with interim and final nitrogen, phosphorus, chlorophyll a and dissolved oxygen numeric targets. In addition, the monitoring program shall determine the relationship between ammonia toxicity and the total nitrogen allocation to ensure that the total nitrogen allocation will prevent ammonia toxicity in Lake Elsinore and Canyon Lake. Monitoring and management of monitoring data shall commence immediately upon approval of this agreement. An annual report summarizing the data collected for the year shall be submitted to the Regional Board by August 15 of each year commencing in 2007.
- d. TMDL IMPLEMENTATION PLAN Tasks 9 and 10 - Develop and Implement a Plan to Reduce NUTRIENTS in Lake Elsinore sediments and develop a sediment nutrient treatment evaluation plan for Canyon Lake. The plans shall evaluate the efficacy of various in-lake treatment technologies to prevent the release of NUTRIENTS from lake sediments as a long-term strategy for control of NUTRIENTS in the sediment. The program may also include a sediment nutrient monitoring program to evaluate the effectiveness of any technologies that may be implemented. Target Date for Completion: March 31, 2007.
- e. TMDL IMPLEMENTATION PLAN Task 11 - Develop and Implement a Plan and Schedule for Updating the Existing Lake Elsinore/San Jacinto

River Watershed Nutrient Model and the Canyon Lake and Lake Elsinore In-Lake Models. Develop and implement a plan and schedule to update and execute Watersheds and in-lake models to track the progress of TMDL efforts. In-lake models should be analyzed as soon as sufficient data becomes available. Target Date for Completion: March 31, 2007.

- f. TMDL IMPLEMENTATION PLAN Task 12 - Investigate, Develop and Implement a Pollutant Trading Plan. Investigate the feasibility of pollutant trading in the Watersheds, and develop a feasibility plan for Regional Board review and approval. Target Date for Completion: September 30, 2007.
  - g. Investigate Long Term TMDL Implementation Structure, Cost Sharing Formula and Funding Sources. Investigate possible long term administrative structures, cost sharing formulas and funding sources that can be used to obtain compliance with the TMDL requirements. Target Date for Completion: June 30, 2010.
  - h. Other Tasks. The TASK FORCE may undertake such other plans, programs and studies as authorized by the TASK FORCE pursuant to II.2.g. of this AGREEMENT.
  - i. Limitations on MARB and Forest Service. As described above in Section I.H, MARB is an agency of the federal government and is therefore unable to participate in each and every aspect of Section 3 to the same extent as other TASK FORCE MEMBERS. To the extent that it is unable to participate in any tasks under section 3, it reserves the right, in its sole discretion, to participate to the fullest extent that it is able, as a matter of comity.
4. Budgets. Beginning in FY2007-2008, the total annual budget (BUDGET), adjusted to remove in-kind services, grant funding and funding credits associated with this AGREEMENT shall not exceed \$800,000, except as authorized by the TASK FORCE via two-thirds approval via VOTES based on the BUDGET for the then current fiscal year pursuant to II.2.g. of this AGREEMENT. The TASK FORCE ADMINSTRATOR shall prepare and submit a proposed BUDGET for each fiscal year of this AGREEMENT to the TASK FORCE AGENCIES by November 30th. The proposed BUDGET shall include all anticipated costs for the scope(s) of work developed by the TASK FORCE for the next fiscal year. The TASK FORCE REPRESENTATIVES shall approve the BUDGET by December 31<sup>st</sup>. Each TASK FORCE AGENCY shall pay its PRO-RATA SHARE of the approved fiscal year's TASK FORCE BUDGET and arrears by August 31<sup>st</sup> of the following year. The BUDGET for the eighteen (18) month period starting January 1, 2006 and extending through June 30, 2007 and estimated fiscal year BUDGETS through June 30, 2010 are included as Attachment A to the AGREEMENT. Approval of this AGREEMENT shall constitute approval of the BUDGET through June 30, 2007. Payment of the BUDGET through June 30, 2007 shall be by August 31, 2006, or within 30 days

of the approval of this AGREEMENT by each TASK FORCE AGENCY, whichever is sooner.

The TASK FORCE ADMINISTRATOR shall endeavor to minimize carry-over fund balances to those necessary to complete work of the TASK FORCE and to maintain contingencies limited to those necessary to ensure work of the TASK FORCE is not impeded. Excess not necessary to complete budgeted work of the TASK FORCE or maintain adequate reserves shall be credited back to the TASK FORCE AGENCIES in the BUDGET consistent with the PRO-RATA SHARE methodology described in Paragraph II.5 below. THE TASK FORCE AGENCIES shall agree to a reasonable reserve balance as part of each year's BUDGET.

After September 30 of each year, the TASK FORCE ADMINSTRATOR shall provide an accounting of all PRO RATA SHARES collected via cash or in-kind contributions. If PRO RATA SHARES collected are less than BUDGET, the TASK FORCE shall meet with Regional Board staff to determine appropriate priorities for scheduled TASK FORCE work and revise BUDGET based on available funds.

5. Pro-Rata Share Calculation. The annual PRO-RATA SHARE shall be calculated in the following manner:

The PRO-RATA SHARE for MS4 CO-PERMITTEES, Agricultural Operators and EVMWD shall be based on the BUDGET reduced by the value of available grant funding identified in Section 1 of Attachment A and in-kind services identified in Section 3 of Attachment A (LINE 1k BUDGET). The PRO-RATA SHARE for MS4 CO-PERMITTEES, and Agricultural Operators shall each be 28.5% of the LINE 1k BUDGET. Based on the prior agreement of EVMWD and the CITY OF LAKE ELSINORE involving the sharing of cost for supplemental water into Lake Elsinore, the PRO-RATE SHARE for EVMWD and the CITY OF LAKE ELSINORE shall each be 14.25% of the LINE 1K BUDGET.

The PRO-RATA SHARE for Dairy shall be 5% of the LINE 1k BUDGET.

The PRO-RATA SHARE for RCFC&WCD shall be the cash value of the in-kind services described in Section 3 of Attachment A.

The PRO-RATA SHARE for all other TASK FORCE AGENCIES shall be as a base amount set forth in the BUDGET.

The PRO-RATA SHARE for additional TASK FORCE AGENCIES shall be per in kind services and/or an amount agreed upon via written amendment of this AGREEMENT per Section II.2.b.

If the estimated funds collected under the PRO-RATA SHARE calculations exceed the BUDGET, the contributions of MS4 CO-PERMITTEES, EVMWD, City of Lake Elsinore, Agricultural Operators, Dairy and other TASK FORCE

AGENCIES contributing in excess of the base amount shall be raised or reduced proportionately based on the percentage of their PRO-RATA SHARE, until the estimated total PRO-RATA SHARES equals the BUDGET.

RCFC&WCD shall provide the TASK FORCE ADMINSTRATOR with annual individual MS4 CO-PERMITTEE cost share distribution of the MS4 CO-PERMITTEES PRO-RATA SHARE for budgets following Fiscal Year 2006-07. The methodology used by RCFC&WCD to calculate the MS4 CO-PERMITTEE cost share distribution may be amended at the NPDES MS4 Management Steering Committee.

6. In-Kind Credits. The PRO-RATA SHARE of a TASK FORCE AGENCY shall be reduced by the value of IN-KIND CREDITS provided toward agreed-upon budgeted tasks by, or on behalf, of the TASK FORCE AGENCY(S). Credits shall be applied to each budget period and adjusted at the end of each budget year based on actual verified costs.
7. Modifications to the TASK FORCE PRO-RATA SHARE methodology. The methodology deriving the TASK FORCE PRO-RATA SHARE as provided in Section II.5 of this AGREEMENT may be modified upon written approval of all then existing TASK FORCE AGENCIES whose PRO-RATA SHARE would be affected.
8. The TASK FORCE AGENCIES shall cooperate fully with one another to attain the purposes of this AGREEMENT.
9. Nothing in this AGREEMENT, nor the work set forth in this AGREEMENT, nor any activity approved or carried out by the TASK FORCE AGENCIES hereunder, is intended to be nor shall be interpreted as a waiver by TASK FORCE AGENCIES of the "Maximum Extent Practicable" standard set forth in the Clean Water Act (33 U.S.C. Section 1251 *et seq.*).
10. Each TASK FORCE AGENCY shall indemnify, defend, and hold each of the other TASK FORCE AGENCIES, including their special districts, officials, agents, officers, and employees, harmless from and against any and all liability and expense arising from any act or omission of such TASK FORCE AGENCY, its officials, agents, officers, and employees, in connection with this AGREEMENT, including but not limited to defense costs, legal fees, claims, actions, and causes of action for damages of any nature whatsoever, including but not limited to bodily injury, death, personal injury, or property damage; provided, however, that no TASK FORCE AGENCY shall indemnify another TASK FORCE AGENCY for that TASK FORCE AGENCY's own negligence or willful misconduct.

MARB and the Forest Service, as agencies of the federal government, are unable to indemnify or hold harmless any other TASK FORCE AGENCY for any liability arising under this agreement. MARB and the Forest Service expressly do not indemnify or hold harmless any TASK FORCE AGENCY for any injuries or

liabilities, to itself, to any third party or to MARB, or the Forest Service, or its employees under this agreement or any activities carried out under authority of this agreement.

11. In light of the provisions of Section 895.2 of the Government Code of the State of California imposing certain tort liability jointly upon public entities solely by reason of such entities being parties to an agreement (as defined in Section 895 of said Code), each of the TASK FORCE AGENCIES hereto, pursuant to the authorization contained in Sections 895.4 and 895.6 of said Code, shall assume the full liability imposed upon it or any of its officers, agents, or employees by law for injury caused by any act or omission occurring in the performance of this AGREEMENT to the same extent that such liability would be imposed in the absence of Section 895.2 of said Code. To achieve the above stated purpose, each of the TASK FORCE AGENCIES indemnifies, defends, and holds harmless each other TASK FORCE AGENCY for any liability, cost, or expense that may be imposed upon such other TASK FORCE AGENCY solely by virtue of said Section 895.2. The provisions of Section 2778 of the California Civil Code are made a part hereof as if incorporated herein.

MARB and the Forest Service, as agencies of the federal government, are unable to indemnify or hold harmless any other TASK FORCE AGENCY for any liability arising under this agreement. MARB and the Forest Service expressly do not indemnify or hold harmless any TASK FORCE AGENCY for any injuries or liabilities, to itself, to any third party or to MARB or Forest Service or their employees under this agreement or any activities carried out under authority of this agreement. Tort liability for federal employees, including employees of MARB and Forest Service, is expressly authorized and limited by the Federal Tort Claims Act, which will control liability of MARB and the Forest Service and their employees under the terms of this agreement.

12. All obligations of CALTRANS under the terms of this AGREEMENT are subject to the appropriation of the resources by the Legislature and the allocation of resources by the California Transportation Commission. This AGREEMENT has been written before ascertaining the availability of Federal or State legislative appropriation of funds, for the mutual benefit of the TASK FORCE AGENCIES in order to avoid program and fiscal delays that would occur if the AGREEMENT were executed after that determination was made. This AGREEMENT is valid and enforceable as to CALTRANS as if sufficient funds have been made available to CAL TRANS by the United States Government or California State Legislature for the purposes set forth in this AGREEMENT. If the United States Government or the California State Legislature does not appropriate sufficient funds for CALTRANS to participate in this AGREEMENT, this AGREEMENT may be amended in writing by the TASK FORCE AGENCIES to reflect any agreed-upon reduction in the percentage of funds contributed by CALTRANS to continue its participation in this AGREEMENT. CALTRANS, however, has the option to withdraw from this AGREEMENT in the event sufficient funds are not appropriated for CAL TRANS. Should CALTRANS exercise its option to withdraw from this AGREEMENT, CALTRANS shall remain responsible for its

share of liability, if any, incurred while participating in this AGREEMENT.

13. No TASK FORCE AGENCY shall have a financial obligation to any other TASK FORCE AGENCY under this AGREEMENT, except as expressly provided herein.
14. Any notices, invoices, reports, correspondence, or other communication concerning this AGREEMENT shall be directed to the TASK FORCE AGENCY REPRESENTATIVE on file with the TASK FORCE ADMINISTRATOR, except that any TASK FORCE AGENCY may change its name or address by giving the other TASK FORCE AGENCIES at least ten days written notice of the new name or address.
15. The TASK FORCE AGENCIES are, and shall at all times remain as to each other, wholly independent entities. No TASK FORCE AGENCY to this AGREEMENT shall have power to incur any debt, obligation, or liability on behalf of any other TASK FORCE AGENCY unless expressly provided to the contrary by this AGREEMENT. No employee, agent, or officer of a TASK FORCE AGENCY shall be deemed for any purpose whatsoever to be an agent, employee or officer of another TASK FORCE AGENCY.
16. This AGREEMENT shall be binding upon and shall inure to the benefit of the respective successors, heirs, and assigns of each TASK FORCE AGENCY.
17. This AGREEMENT shall be governed by, interpreted under and construed and enforced in accordance with the laws of the State of California, except as to the Forest Service and the March Air Reserve Base to whom federal law is applicable.
18. If any provision of this AGREEMENT shall be determined by any court to be invalid, illegal or unenforceable to any extent, the remainder of this AGREEMENT shall not be affected and this AGREEMENT shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in this AGREEMENT.
19. Each individual TASK FORCE AGENCY has been represented by its own separate counsel in the preparation and negotiation of this AGREEMENT. Accordingly, this AGREEMENT shall be construed according to its fair language and any ambiguities shall not be resolved against the drafting TASK FORCE AGENCY.
20. Each of the persons signing below on behalf of a TASK FORCE AGENCY represents and warrants that he or she is authorized to sign this AGREEMENT on behalf of such TASK FORCE AGENCY.
21. Duration of Agreement. This AGREEMENT shall terminate June 30, 2010 (unless extended by mutual agreement of all TASK FORCE AGENCIES), provided that all debts and liabilities of the TASK FORCE are satisfied. Notwithstanding the foregoing, each TASK FORCE AGENCY reserves the right

to withdraw from the TASK FORCE at any time, upon sixty (60) days' prior written notice to the TASK FORCE. TASK FORCE contingency, projects and studies underway at the time of withdrawal shall continue to be fully funded by the withdrawing TASK FORCE AGENCY until the end of the fiscal year in which the TASK FORCE AGENCY gave notice to withdraw.

22. Counterparts. This AGREEMENT may be executed simultaneously or in any number of counterparts, each of which shall be deemed an original and together shall constitute one and the same instrument.
23. Amendment. This AGREEMENT may not be amended except in a writing signed by all the TASK FORCE AGENCIES.
24. Effective Date. This AGREEMENT shall become effective when it has been executed by all of the TASK FORCE AGENCIES.
