**REVISED CLEAN WATER ACT SECTION 401 WATER QUALITY STANDARDS
CERTIFICATION FOR THE PEPPER AVENUE EXTENSION PROJECT, CITY OF RIALTO,
COUNTY OF SAN BERNARDINO, CALIFORNIA (ACOE REFERENCE NO. NOT
AVAILABLE) (SARWQCB PROJECT NO. 362008-15)**

Dear Ms. Gibson:

Revisions have been made to the fill area addressed by this certification, as follows:

The November 30, 2011, certification for this project referenced the following incorrect information:

Fill area: 0.2 acres of permanent impact to streambed habitat (414 linear feet), 0.05 acres of temporary impact to streambed habitat (219 linear feet)

On December 15, 2011, this office was advised that the correct fill areas for which the City requests 401 certification are:

Fill area: 0.081 acre of permanent impact to streambed habitat (513 linear feet), 0.042 acre of temporary impact to streambed habitat (306 linear feet)

The certification is revised to reflect the corrected fill areas shown above.

If you have any questions, please contact Marc Brown at mbrown@waterboards.ca.gov or (951) 321-4584, or Mark Adelson at madelson@waterboards.ca.gov or (951) 782-3234.

Sincerely,

Kurt V. Berchtold
Executive Officer
