

RIVERSIDE COUNTY FLOOD CONTROL
AND WATER CONSERVATION DISTRICT

January 7, 2015

Ms. Milasol Gaslan P.E., Chief of Stormwater
CRWQCB - Santa Ana Region
3737 Main Street, Suite 500
Riverside, CA 92501

Dear Ms. Gaslan:

Re: Draft Watershed Action Plan and
Supporting Documents - Compliance
with Order No. R8-2010-0033 (Order)

The Riverside County Flood Control and Water Conservation District (District) serves as the Principal Permittee of the Riverside County Municipal Separate Storm Sewer System (MS4) Permit for the Santa Ana Region. This letter is submitted on behalf of the MS4 Permittees identified in the Order. The purpose of this letter is to transmit materials (1 CD) prepared in compliance with the Order in coordination and cooperation with Santa Ana Regional Board staff.

The following materials have been prepared by the MS4 Permittees and are included on the CD:

- Draft Watershed Action Plan
- Appendix A: Hydromodification Susceptibility Documentation and Mapping Report
- Appendix B: Santa Ana Watershed BMP Retrofit Assessment
- Appendix C: Comprehensive Bacteria Reduction Plan (CBRP)
- Appendix D: Comprehensive Nutrient Reduction Plan (CNRP)
- Appendix E: Hydromodification Management Plan
- Appendix F: Causes of Degradation and Aggradation in the Santa Ana Region
- Appendix G: Hydromodification Management Plan Evaluation Program
- Appendix H: San Jacinto River – Large River Exemption Comprehensive Study

The CD also contains the word document redline changes and highlights of the Watershed Action Plan, based upon Santa Ana Regional Board staff comments. This has been provided to help facilitate Santa Ana Regional Board staff review of the documents.

Requirement IV.B.1 of Appendix 3 of the Order requires:

"All progress reports and proposed strategies and plans required by this Order shall be signed by the Principal Permittee, and copies shall be submitted to the Executive Officer under penalty of perjury."

Per the requirement, the District, as Principal Permittee for the Order, is submitting this letter, which includes a signed perjury statement to ensure that the transmittal of the above referenced documents are in full compliance with the Order.

Ms. Gaslan

Re: Comments on the Draft Watershed Action Plan
and Supporting Documents - Compliance with
Order No. R8-2010-0033 (Order)

We look forward to continuing to work with your staff to protect water quality. If you have any questions, please contact Julianna Gonzalez at 951.955.8064 or David Garcia at 951.955.1330.

Very truly yours,

JASON E. UHLEY
Assistant Chief Engineer
