Subject: OTC Policy

Chairman Charlie R. Hoppin
1001 I Street
Sacramento, CA 95814

Dear Chairman Hoppin,

I urge the State Water Board to reject recently-proposed OTC policy amendments that move the state away from a path to phase out once-through cooling systems. The OTC policy needs to be strengthened significantly to reinforce the state's commitment to ensuring that these facilities adopt the "best technology available" based on swift, certain timeframes.

Sincerely,
