Subject: Wholesaler Supply Information

Hello Kathy,

Covina Irrigating Company is a private, non-profit, wholesaler to (6) retail agencies, all of which have received what I'm attaching in regards to the Supply Reliability report for calendar years 2017, 2018, & 2019. Thomas Siebels from the water board contacted me today to confirm that I had done this. I got your name and contact info. from the correspondence he forwarded to me.

Let me know if you have further questions.
