RE: Notice of Preparation of an Environmental Impact Report/Initial Study and Notice of Scoping Meetings for Wetland Protection Policy

Dear Ms. Townsend:

Thank you for providing an opportunity for the City of Menifee Planning Department to review the notice of preparation of an Environmental Impact Report/Initial Study and Notice of Scoping Meetings for the Wetland Protection Policy project. The City of Menifee Planning Department has reviewed the notices, including the initial study prepared for the project and has the following comments:

1. Will the EIR address the technical responsibilities that will be required of the City to implement the project and how will those responsibilities be funded?
2. The City of Menifee reserves the right to comment further on these and other portions of the project.

Thank you again for the opportunity to review the project proposal. Please forward any subsequent environmental documents and/or hearing notices regarding the project to my attention at this office.

Sincerely,

City of Menifee Planning Department

Lisa Gordon
Senior Planner
