Good morning,

I am writing today on behalf of the Sonoma County Winegrape Commission, which is a local commission and public agency that represents the 1800 Winegrape growers in Sonoma County. We are requesting validation of our GSA eligibility. Attached is a document that provides information that demonstrates our eligibility. Please do not hesitate to contact me if you have any questions or need clarification. I appreciate your time and consideration in this critical matter to agriculture and water in Sonoma County.

Kindly,
Karissa
