

**STATE WATER RESOURCES CONTROL BOARD  
DIVISION OF FINANCIAL ASSISTANCE  
CLEANUP AND ABATEMENT ACCOUNT  
2014 CLEANUP AND ABATEMENT PROJECTS**

SWRCB DIVISION OR REGION	PROJECT TITLE	PROJECT DESCRIPTION	PROJECT TYPE	AMOUNT APPROVED	APPROVED DATE
DFA	California Rural Legal Assistance (CRLA)	Provide assistance with identifying disadvantaged communities (DAC's) in remote communities of the California Central Coast that could be suitable candidates for the University of California, Los Angeles pilot demonstration of a water treatment technology known as the Smart Water System.	CLEAN UP	\$5,146	04/23/14
DFA	Clearlake Oaks County Water District	Emergency repairs for one of the wastewater treatment plant's lift stations which failed on July 28, 2014 due to corrosion (and old age).	CLEAN UP	\$50,000	08/22/14
DFA	Community Water Center (CWC)	Provide assistance with identifying disadvantaged communities (DAC's) in remote communities of the Tulare Lake Basin that could be suitable candidates for the University of California, Los Angeles pilot demonstration of a water treatment technology know as the Smart Water System.	CLEAN UP	\$5,500	03/12/14
DFA	County of Imperial-Winterhaven Sewer Issues	Replace waste water main line encased in pipe located under bridge crossing Colorado River between Winterhaven, CA and Yuma, AZ.	CLEAN UP	\$197,000	06/25/14
DWQ	Beach Water Quality Program Review	Funding for the University of California, Los Angeles to conduct a comprehensive characterization of beach monitoring programs for the entire coast of California.	STUDY	\$50,000	01/22/14
REGION 1	Eel River Monitoring and Water Quality Awareness Pilot Project	Public outreach and monitoring program to increase public awareness about individual and cumulative adverse impacts of improperly developed or managed crop cultivation, including marijuana cultivation, on water quality and beneficial uses within the Eel River Watershed.	STUDY	\$209,566	01/21/14
REGION 1	Van Duzen River Schools	Field equipment, materials, and supplies to insure the success of the Eel River Recovery Project's (ERP) "More Kids in the Woods" program.	STUDY	\$12,200	01/02/14
REGION 3	Central Coast Domestic Well Sampling	Field sampling and analytical testing of domestic wells and small unregulated water systems in the Central Coast Region with an emphasis on high-risk nitrate areas and disadvantaged communities.	STUDY	\$219,400	03/28/14
REGION 6	PCE Investigation	Conduct a groundwater investigation in South Lake Tahoe to identify potential responsible parties for tetrachloroethene (PCE) contamination in groundwater in the western area of South Lake Tahoe. Several drinking water supply wells in the area have been impacted and shut down due to PCE concentrations exceeding the MCL.	STUDY	\$69,000	10/03/14
<b>TOTAL</b>				<b>\$817,812</b>
