

State Water Resources Control Board Grant Program Timelines

[illegible]

FOOTNOTE:

The yellow lines indicate the Water Board's activity from the beginning of the solicitation development through execution of a grant document. This does not include ongoing grant duties such as processing invoices, tracking project process, and audits. The blue lines show the grantee's activity beginning with the initiation of the grant to the end of the project timeframe. Chart does not include funds set aside for State Revolving Fund, Santa Ana River Watershed, Lake Elsinore and San Jacinto, Sea Water Intrusion or State Operations and Bond Costs.
