# FUNDING FAIR 2008

## JANUARY 11, 2008

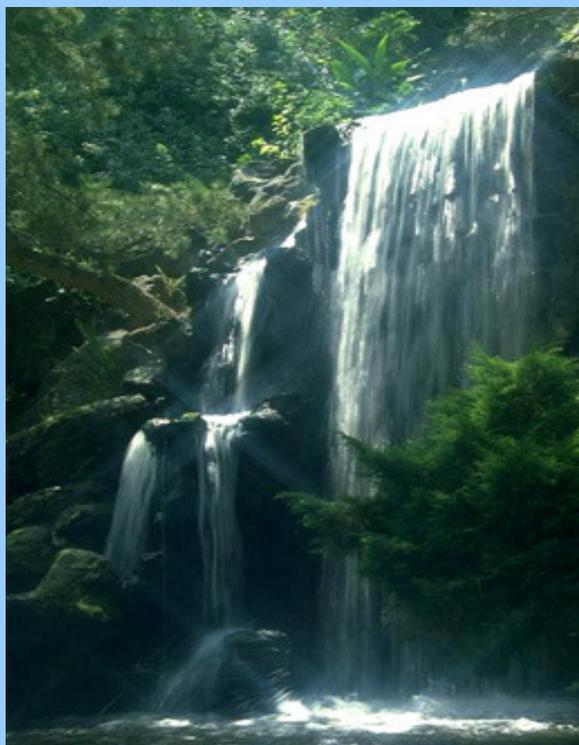

**Loan and Grant Programs  
To Protect and Enhance Our  
Environmental Resources**

# OVERVIEW

The State of California and our Federal Partners offer many grant and loan programs for entities considering projects focusing on the preservation and enhancement of the State's water quality and water supply. These funding programs are spread throughout the State's administrative departments. At the State Water Board's Funding Fair 2008, attendees can learn about these funding programs in one place. On January 11, 2008, participants will be able to meet State representatives face to face to learn about available funding options.

# AGENDA
