

**Groundwater Quality Funding Program Update:**  
PRE-APPLICATION SUBMISSION CUTOFF DATE FOR FISCAL YEAR 2015/2016  
FUNDING OF ELIGIBLE SITE CLEANUP SUBACCOUNT PROGRAM (SCAP)  
PROJECTS ONLY

The deadline for submitting Pre-Applications for the first round of potential funding through SCAP will be the end of day Monday, November 2, 2015. The Program will continue to accept Pre-Applications after this date for consideration in future rounds of potential funding.

After review of the submitted Pre-Applications, the proponents of eligible projects will be requested to complete and submit a full application for review. The initial list of proposed eligible SCAP projects will be presented to the State Water Resources Control Board for consideration in early 2016.

The Groundwater Quality Funding Program is continuously accepting Pre-Applications for both the Proposition 1 Groundwater Sustainability Program and SCAP. Proposed timelines relating to these programs can be found on the Groundwater Quality Funding Program webpage at:
