

**AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009
SECTION 1511 CERTIFICATION**

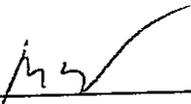

**City of Santa Barbara
Catch Basin Inlet Storm Drain Screens Project (Project)
Project No.: C-06-6202-110**

The authorized representative of the State Water Resources Control Board hereby certifies, and/or affirms that the Project has received the full review and vetting required by law and that such representative accepts responsibility that the Project is an appropriate use of taxpayer dollars. Subject to the provisions of the Financing Agreement, the following general description is provided in order to comply with Section 1511 of American Recovery and Reinvestment Act of 2009 (ARRA):

Project Description: The Project is to install stainless steel retractable screens at 1400 storm drain openings to prevent trash and other pollutants from being deposited into the storm drains, creeks, estuaries, and ocean by storm water and urban runoff.

- Estimated total cost of the Project: One million, nine hundred seventy four thousand dollars and no cents (\$1,974,000).
- Type of assistance: Full principal forgiveness.
- Estimated amount of ARRA funds to be used: One million, seven hundred eighty nine thousand, three hundred eighty-eight dollars and no cents (\$1,789,388).
