Subject: Comment Letter - CGP Reopener

Jeanine,

Provided below are the U.S. Department of Defense (DoD) comments for the CGP Reopener Order No 2010-XXXX-DWQ, NPDES NO. CAS0000002, which amends Order No. 2009-0009-DWQ.

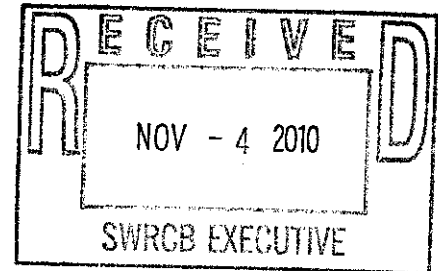

1. Page 24 of the Order No. 2009-0009-DWQ discusses the Assigned Signatory. DoD proposes clarification of iv. which now states: "For the Military: Any Military Officer who has been designated" to read: "Any Military Officer or DOD Civilian with a similar level of project authority (i.e. project engineer) who has been designated by the LRP".

2. DoD further propose that the definition of a Legally Responsible Person (LRP) in the Order No. 2009-0009-DWQ glossary (Appendix 5) be as follows: For the Military: The Legally Responsible Person will be a military officer, or a civilian acting in an equivalent capacity, for the military organization that the individual represents.

Please call me or Teresa Trost (619)532-3709 if you have any questions.

V/R,

Michael Huber
DoD Regional Environmental Coordination (DoDREC 9) Program Manager
