INDEX TO  
ADMINISTRATIVE  
RECORD

**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD  
LAHONTAN REGION**

**February 2002**

**INDEX TO ADMINISTRATIVE RECORD  
FOR LAHONTAN REGIONAL BOARD'S 2001-2002  
SECTION 303(D) LIST UPDATE PROCESS**

*Notes: Except for information and data provided in response to the March-May 2001 solicitation process, and information in written public comments on the November 2001 draft recommendations, the reference material (information and data) used in formulation of Regional Board recommendations has been provided to State Water Resources Control Board staff separately from this administrative record.*

*Copies of public comment letters and emails received in December 2001 were sent to Regional Board members as they arrived. This resulted in some duplicate materials being included in the agenda packet. Regional Board staff sent written responses to some written comments. Copies of these responses, and responses to the remainder of the written comments are included in a single "Response to Comments" document. For clarity, public comment letters and staff responses are indexed chronologically by the date on the letter or email. However, page numbers in the index are not necessarily in chronological order. Duplicate locations are shown in the page number columns as appropriate.*
