To: Identified Priority Class C Claimants Affected by a Letter of Commitment
Suspension

UNDERGROUND STORAGE TANK CLEANUP FUND (FUND), NOTICE OF LIFTING SUSPENSION OF LETTER OF COMMITMENT (LOC)

This notice is to inform you that the Fund will be lifting your LOC Suspension for the above-referenced claim as of January 1, 2010, as directed by the State Water Resources Control Board Resolution No. 2009-0081.

Starting on **January 1, 2010**, the Fund will begin accepting Reimbursement Request (RR) packages for all eligible costs incurred during the LOC suspension period for Priority Class C claims. In fairness to all claimants, the Fund will not accept any RR packages with costs incurred during the LOC suspension period submitted prior to this date. These RR packages will be returned to the claimant for re-submittal.

The Fund will continue to review all RR packages in order of Priority Class and date of receipt. As each RR package is reviewed, the claimant will be notified once the RR is placed on hold pending the availability of funds. Keep in mind, the Fund is running with a backlog for RR review and payment. For Priority Class C claims, the current backlog for review is approximately one year and payment can be delayed up to five quarters. Payment of RRs will be made by Priority Class in date received order.

If you have questions, please contact the Fund at (800) 813-FUND (3863) or by e-mail at USTCleanupFund@waterboards.ca.gov. Additional Fund related information, can be found on the web site at: http://www.waterboards.ca.gov/water_issues/programs/ustcf/.
