

RESPONSE TO COMMENTS RECEIVED FROM  
SACRAMENTO COUNTY ENVIRONMENTAL HEALTH  
REGARDING P&P BUILDING WRECKING CLAIM 7200

Dated December 27, 2013

Comment: Additional historical data concerning the Site must be provided before the Conceptual Site Model can be developed to satisfy the Low Threat Closure Policy (Policy).

RESPONSE: There are sufficient data in the case file to evaluate current site conditions and develop a Conceptual Site Model. The conceptual site model as described in the Case Closure Review Summary Report shows that this case meets all Policy criteria.
