## North Coast Regional Water Quality Control Board

March 28, 2014

Mr. Doug Coleman  
Caltrans District 3  
703 B Street  
Marysville, CA 95901  
[Doug.Coleman@dot.ca.gov](mailto:Doug.Coleman@dot.ca.gov)

Dear Mr. Coleman:

Subject: No Further Action

Case: CDOT Ukiah Facility, 90 West Lake Mendocino Drive, Ukiah  
Case No. 1TMC005, Petition ID #DWQP-0181

This letter confirms the completion of a site investigation and corrective action for the underground storage tanks formerly located at the above-described location. Thank you for your cooperation throughout this investigation. Your willingness and promptness in responding to our inquiries concerning the former underground storage tanks are greatly appreciated.

Based on information in the above-referenced file and with the provision that the information provided to this agency was accurate and representative of site conditions, this agency finds that the site investigation and corrective action carried out at your underground storage tank site is in compliance with the requirements of subdivisions (a) and (b) of Section 25296.10 of the Health and Safety Code and with corrective action regulations adopted pursuant to Section 25299.3 of the Health and Safety Code and that no further action related to the petroleum releases at the site is required.

This notice is issued pursuant to subdivision (g) of Section 25296.10 of the Health and Safety Code.

Claims for reimbursement of corrective action costs submitted to the Underground Storage Tank Cleanup Fund more than 365 days after the date of this letter or issuance

or activation of the Fund's Letter of Commitment, whichever occurs later, will not be reimbursed unless one of the following exceptions applies:

- Claims are submitted pursuant to Section 25299.57, subdivision (k) (reopened UST case); or
- Submission within the timeframe was beyond the claimant's reasonable control, ongoing work is required for closure that will result in the submission of claims beyond that time period, or that under the circumstances of the case, it would be unreasonable or inequitable to impose the 365-day time period.

Please contact Craig Hunt of my staff at (707) 570-3767 or at [Craig.Hunt@waterboards.ca.gov](mailto:Craig.Hunt@waterboards.ca.gov), if you have any questions regarding this matter.

Sincerely,

*Original signed by*
