

Public Hearing (12/15/10)
CEC - Recycled Water
Deadline: 1/10/11 by 12 noon

From: Lawrence Chrystal <lchrystal@babcocklabs.com>
To: <commentletters@waterboards.ca.gov>
Date: 11/29/2010 12:36 PM
Subject: "Comment Letter - CEC Monitoring for Recycled Water".

The CDPH recommended CEC, TCEP, is defined in the document as Tris (2-carboxyethyl)Phosphate. Please clarify. The more likely compound to be a CEC would be Tris (2-chloroethyl)Phosphate.
