

State Water Resources Control Board

NOTICE OF PETITION FOR TEMPORARY CHANGE INVOLVING A PROPOSED TRANSFER OF WATER UNDER PLACER COUNTY WATER AGENCY PERMIT 13856 (APPLICATION 18085)

On May 23, 2014, Placer County Water Agency (PCWA) submitted a Petition for Change involving the transfer of water pursuant to Water Code §1725-1732. The proposed project would allow PCWA to transfer 35,000 acre-feet (af) of water to Westlands Water District. The transfer would involve surplus water currently stored in PCWA's Middle Fork Project reservoirs under Permit 13856. The proposed transfer would begin around mid-June, and be completed by September 30, 2014. Temporary changes involving the transfer of water may be in effect for one year from the date of approval. The proposed transfer would include the following temporary changes to PCWA's permit: (1) add the Central Valley Project's (CVP) Bill Jones Pumping Plant and/or State Water Project's Harvey O. Banks Pumping Plant as points of rediversion; (2) add San Luis Reservoir as a point of rediversion and storage; and (3) add the Westlands CVP service areas as a place of use for irrigation, municipal, and industrial purposes of use.

PCWA's petition, Permit 13856, and related project information can be viewed at:
