Dear Ms. Mooring:

Subject: Application No. X003488

Find enclosed a Tuolumne Utilities District (TUD) "Application and Agreement for Surplus Water Service" and a policy statement regarding the Service.

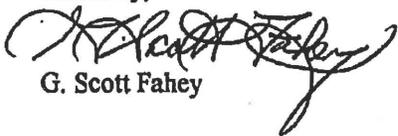

As the subject applicant, I would like to propose using surplus Stanislaus River Basin water purchased from TUD in exchange for water diverted from the Tuolumne River Basin during its fully appropriated period.

I am providing the TUD application and policy statement for your review and approval. Upon the Division of Water Rights approval of the proposed exchange, a TUD agreement will be fully executed. However, the implementation of the agreement must be conditional upon issuance of a permit for the subject application.

If you have any questions regarding the application and/or its policy statement, please contact TUD's Joe Whitmer @ (209) 532-5536, ext. 515.

If you have any questions or comments, do not hesitate to contact me @ (208) 345-5170.

Sincerely,

G. Scott Fahey
