SUBJECT: PROPOSED PONDS LOCATED AT: 39000 CRISPEN LANE, MANCHESTER

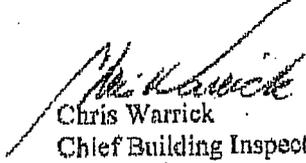

Dear Mr. Stone:

On 8-19-99, Building Inspector, Ed Petrykowski conducted a Special Inspection at the above address. The purpose of the inspection was to document his observations regarding the location, height of dam, area in water capacity, terrain and setbacks to property lines and structures of the proposed ponds.

I have reviewed Mr. Petrykowski's documentation and have approved your proposed ponds as grading in an isolated, self-contained area and that there is no danger to private or public property as long as the work is done according to the information provided by you to Mr. Petrykowski at the time of inspection.

If you have any questions, please feel free to call Monday through Friday from 8:00am to 5:00pm.

Sincerely,

  
Chris Warrick  
Chief Building Inspector
