**Subject:** Please leave the Stanislaus River alone

State water board members,

I oppose increasing unimpaired flows on the Stanislaus River. We need our water for our farmers, fish, agriculture. It is time to leave our water supply alone. We need it here. The salmon need to make their journey up river; without the rivers flowing correctly this will not happen. This valley has been in a drought for the last few years. We need all the water we can get. Find your water source somewhere else this year. Leave the Stanislaus alone.

Thank you for listening.

Susan Simmons  
Modesto
