Re: List of Testimonies that are Outside the Scope of Part 1 Hearing and More Applicable for Part 2

Dear Hearing Chair Doduc and Hearing Officer Marcus:

California Department of Water Resources (DWR) submits for consideration of the State Water Resources Control Board (State Water Board) list of Protestants' Exhibits that have not been corrected after the State Water Board's Oct 7, 2016 Ruling instructing parties to modify their testimony according to the Board's instructions. A summary table is attached. By preparing this list DWR does not waive specific objections to testimony and/or exhibits proposed by the Protestants at hearing. This includes motions to strike specific testimony.

Best regards,
