6	Article 55 water not met by first three priorities
7	Additional Article 21 water in excess of Table A amounts
8	Article 55 water in excess of Table A amounts

Article 12(f) Priorities

Each year water deliveries to the contractors shall be in accordance with the following priorities to the extent there are conflicts:

First, project water to meet scheduled deliveries of contractors' annual Table A amounts for that year.

Second, transfers/exchanges of project water to meet scheduled deliveries from contractors' annual Table A amounts for that year.

Third, interruptible water to the extent contractors' annual Table A amounts for that year are not met by the first and second priority.

Fourth, project water to fulfill delivery requirements pursuant to Article 14(b).

Fifth, project water previously stored pursuant to Articles 12(e) and 56, including transfers/exchanges of stored water.

Sixth, nonproject water to fulfill contractors' annual Table A amounts for that year not met by the first ~~two~~ three priorities.

Seventh, additional interruptible water delivered to contractors in excess of their annual Table A amounts for that year.

Eighth, additional nonproject water delivered to contractors in excess of their annual Table A amounts for that year.
